USA V WAYDE LYNN KURT - CR-10-0114-WFN & CR-11-0161-WFN 2
CONTESTED SENTENCING HEARING - DAY 1 - MAY 9, 2012

1 (Court convened on May 9, 2012, at 9:14 a.m.)

2 THE COURT: Good morning, everyone. Please be seated.

3 THE COURTROOM DEPUTY: United States of America v
4 Wayde Lynn Kurt, Case Nos. CR-10-0114-WFN-1 and
5 CR-11-0161-WFN-1, time set for sentencing.

6 THE COURT: Well, I understand that we anticipate
7 testimony. We could proceed this way: We could deal with the
8 objections first. But it might be better if we hear the
9 testimony because I anticipate the testimony may be relevant to
10 one or more of the objections that are raised by Mr. Wall on
11 behalf of Mr. Kurt.

12 What are your thoughts, Ms. Van Marter? Are you going to
13 be handling it?

14 MS. VAN MARTER: Your Honor, Mr. Hicks and I each have
15 a witness on behalf of the Government. But I think the Court is
16 correct. The United States has some exhibits to present to the
17 Court and a video that we'd like to start with that we think are
18 relevant for those rulings.

19 THE COURT: All right. Let's proceed that way, then.
20 Mr. Wall, do you have any thoughts about that?

21 MR. WALL: No, your Honor, that makes sense to me. I
22 just -- I wanted to let the Court know that there are some
23 people here who want to speak on Mr. Kurt's behalf. And I don't
24 know at what point you think that would be appropriate.

25 THE COURT: Well, we'll certainly accommodate them.

CONTESTED SENTENCING HEARING - DAY 1 - MAY 9, 2012
J. CLEARY/DI - VAN MARTER

1 This is the way I normally like to proceed: Usually, I just
2 deal with the objections first. But I do think that, probably,
3 some of the testimony may be relevant to one or more of the
4 objections. And, then, I usually like to get the thoughts of
5 defense counsel and if at that time you want people to speak.
6 We'll get the recommendation of the Government and, then, hear
7 from Mr. Kurt.

8 MR. WALL: Okay, your Honor.

9 THE COURT: But, if you have people that have
10 deadlines, for example, to accommodate their personal schedules,
11 we can certainly talk about that.

12 MR. WALL: It doesn't appear that that would be a
13 problem.

14 THE COURT: All right. Ms. Van Marter.

15 MS. VAN MARTER: Thank you, your Honor. The United
16 States would first call Agent Joe Cleary.

17 THE COURT: Mr. Cleary, raise your right hand to be
18 sworn, please.

1 name for the record?

2 A Joseph M. Cleary, C L E A R Y.

3 Q And, again, did you testify during the course of the trial
4 against United States v Wayde Kurt?

5 A I did.

6 Q And are you the case agent for this portion of the
7 investigation?

8 A I am. I'm the case agent for Wayde Kurt. I was also the
9 case agent for the Vanguard Kindred. I inherited that case
10 midyear of 2009.

11 Q And, when you say, the investigation of Vanguard Kindred,
12 was that a separate investigation prior to the investigation of
13 Wayde Kurt?

14 A Yes.

15 Q And, approximately, what time period was that
16 investigation?

17 A The Vanguard Kindred was begun in early 2009.

18 Q And are you familiar with a video that was played during
19 the course of trial identified as Government's Exhibit No. 50?

20 A Yes.

21 Q Video specifically played during the cross examination of
22 Mr. Kurt. That video. Do you recall that?

23 A I do.

24 Q And were you familiar with that video clip?

25 A Yes.

5

1 Q As being the case agent in the investigation of Vanguard
2 Kindred?

3 A Yes.

4 Q And can you, again, explain to the Court what that video
5 clip was from?

6 A The video clip was dated January 10th, 2009. It was from a
7 meeting -- a Vanguard Kindred meeting that was -- that occurred
8 before a blot, and I think it occurred in an apartment in the
9 Valley of Spokane.

10 Q And, again, just so that we're all familiar with the same
11 terminology, what is a blot?

12 A It's an Odinist ceremony.

13 Q And you're familiar with Mr. Kurt's testimony regarding his
14 involvement with the Odinist religion. Is that correct?

15 A Yes.

16 Q And, during your investigation, again, who were the
17 Vanguard Kindred?

18 A It was a group of white separatists, white nationalists,
19 white supremists lead by Keegan VanTuyt. And they operated in
20 the Spokane Valley, City of Spokane area. They would hold
21 blots. They would also engage in violent criminal activity.
22 Assaults.

23 Q And, specifically, assaults against whom?

24 A Minorities.

25 Q And this particular video clip, Government's Exhibit 50, at

6

1 what point in time during this meeting was this clip taken from?

2 A What time? It was around 4:40 p.m. in the afternoon.

3 Q And was that before or after any blot ceremony?

4 A That was before.

5 Q And are you familiar with who was present?

6 A Yes.

7 Q Who was present?

8 A The defendant was present. Also in that video clip was

9 Dan Wilson, also known as "Church." Also present at the meeting

10 -- at the -- at the party before the blot, Mike Hubbard -- other

11 members of the Vanguard Kindred: Mike Hubbard, Keegan VanTuyt,

12 Dave Udseth, Carma Blalock, Don Lindquist, a gentleman named

13 Shep Kuester.

14 Q Ben Bargiel?

15 A Ben Bargiel was present. That's correct.

16 Q And, obviously, Mr. Udseth testified and was identified as

17 a confidential source. Is that correct?

18 A Yes.

19 Q And did this meeting occur before or after he became a

20 confidential source?

21 A Before.

22 Q How far before?

23 A Several months. I couldn't tell you the exact date.

24 Q Okay. So, were you asked to see if there were other

25 portions of that evening that were video recorded?

J. CLEARY/DI - VAN MARTER

1 A Yes.

2 Q Were you able to locate any?

3 A I was. Earl Hicks called me yesterday, said that Mr. Wall
4 would like more clips regarding that event. So, I contacted a
5 sheriff's sergeant -- or, excuse me, detective -- who actually
6 had video clips. I brought those to Mr. Hicks yesterday.

7 Q And did you provide them on disk?

8 A I did.

9 Q And have those disks now been marked as Government's
10 Exhibit No. 1 for sentencing?

11 A Yes.

12 Q Did you also prepare a summary of those clips?

13 A I did.

14 MS. VAN MARTER: And, your Honor, we've previously
15 handed up what's been marked for identification as Government's
16 Exhibit 1a. Do you have a copy before you?

17 THE COURT: No. Now I do.

18 Q (BY MS. VAN MARTER) And, Agent Cleary, is this a copy of
19 the summary that you provided of these video clips?

20 A Yes.

21 Q And did you do that in aid of viewing the videos today?

22 A I did.

23 Q Had you seen these video clips before?

24 A I'd seen some of them. The party pre-blot I'd seen before,
25 but I don't recall seeing the blot video.

CONTESTED SENTENCING HEARING - DAY 1 - MAY 9, 2012
J. CLEARY/DI - VAN MARTER

1 Q And, again, what was the FBI's interest in the Vanguard
2 Kindred during this part of the investigation?

3 A They were committing violent assaults. We had gotten
4 reports that there had been assaults at the Bottoms Up Tavern.
5 Two African Americans were assaulted. There was some assaultive
6 behavior on members of his own group. A female was assaulted,
7 Adrienne Oaks, we believe. There was also an assault that we
8 couldn't track down that happened in Post Falls. Post Falls
9 Park, I believe, in late 2008.

10 Q And is that assaultive behavior mentioned during the course
11 of these clips?

12 A There's discussion about attempting to do assaults. That's
13 correct.

14 Q And how do the members characterize it?

15 A They characterize it as "going coon hunting," which is
16 looking for African Americans to assault.

17 Q And is this all clips from that same evening or day,
18 January 10th?

19 A January -- January 10th, 2009, yes.

20 Q And, again, was this video taken, also, prior to the
21 assault of Mr. Johnson as highlighted during the course of the
22 trial?

23 A Yes. I believe the video was taken, approximately,
24 two-and-a-half months prior to Anton being assaulted.

25 Q So, let's play each video. Let's start with

J. CLEARY/DI - VAN MARTER

1 Video Clip No. 1. And, if you'll look at Government's Exhibit
2 No. 1a, you've entitled this "Church." Is that correct?

3 A Yes. I haven't entitled it "Church." This is
4 Detective Fairbanks, Spokane County Sheriff's Department. But,
5 yes, it's entitled "Church."

6 Q And who is that in reference to?

7 A Dan Wilson, who is a member of the VK.

8 THE COURT: Is Exhibit -- Clip No. 1 the Exhibit 50
9 that we saw at trial?

10 MS. VAN MARTER: No, your Honor. This has now been
11 marked -- remarked as Government's Exhibit No. 1. Exhibit
12 No. 50 is, actually, Video Clip No. 5. And we'll -- we'll
13 review that, as well.

14 (Video Clip No. 1 played)

15 Q (BY MS. VAN MARTER) Was there any discussion in that clip
16 about the Odinist religion?

17 A No.

18 Q And who was the man of the hour?

19 A Adolph Hitler.

20 Q And, at the beginning of the clip, what was the question
21 posed to Mr. Kurt?

22 A I believe it was "What have you for.
23 Your race."

24 Q And his response was?

25 A "Plotting and scheming, 88, Heil Hitler."

CONTESTED SENTENCING HEARING - DAY 1 - MAY 9, 2012
J. CLEARY/DI - VAN MARTER

1 Q Now, do you recall, during trial, some testimony from
2 Mr. Kurt about what "88" was?

3 A Yes.

4 Q And, in the context of this video -- or let me ask you
5 this: In your training and experience, what's your
6 understanding of what "88" is?

7 A It usually stands for the eighth letter of the alphabet,
8 which is H, which "HH," Heil Hitler.

9 Sometimes people refer to it as the "88 Precepts of
10 David Lane."

11 But, usually, it's Heil Hitler.

12 Q And, again, who's David Lane?

13 A He was in The Order. He was a prominent member. He also
14 founded the Fourteen Words, which is a slogan that, if you see
15 14/88, it's in reference to the Fourteen Words, which is the "We
16 must secure the existence of our race and the -- and a future
17 for white children," which is a slogan that white supremacists
18 often use. And the 88, of course, on the -- on the 14/88 is
19 Heil Hitler.

20 Q I want to show you trial transcript of Mr. Kurt's
21 testimony, Page 45 and 46. And this is the direct testimony
22 from Mr. Wall, again, asking Mr. Wayde Kurt about his meaning of
23 "88." Could you read that to the Court?

24 A "Answer, '88' in this context is the eighth letter of the
25 alphabet, H, and H again, and commonly referred to as Heil

1 Hitler."

2 Q And the next question?

3 A "Okay. Is there some reason you would have signed a letter
4 like that if you were not an adherent to any kind of Nazi
5 beliefs?

6 "Answer, No."

7 Q Please continue the answer.

8 A "I normally would not sign any letters unless I was trying
9 to make contact with someone who would recognize it as [a] like"
10 -- "recognize it as like a common hail for racists."

11 Q And "Did you" -- so, the next question, "Did you have
12 a . . . purpose in putting '88' on this letter to Mr. Udseth?"
13 And what was Mr. Kurt's answer?

14 A "Yes. To show that I've (sic)" -- "I'm with him in his
15 ideals."

16 Q And did Mr. Kurt go on to testify that he was not -- did
17 not espouse white supremacists' beliefs or beliefs in Nazi,
18 Hitler -- or Hitler beliefs or that type of Nazi society?

19 A I -- I believe my recollection of Mr. Kurt's testimony was
20 that he was not a Nazi or did not adhere to the Nazi beliefs.

21 Q And is that consistent with that clip in the video?

22 MR. WALL: Your Honor, at this point, I guess I'm
23 concerned that we're just having a witness read testimony that
24 could be put in front of the Court and speaks for itself. I'm
25 not sure where we're -- what the purpose of this --

1 THE COURT: Well, it's helpful just to point out. We
2 don't have to go into everything but to point out what's being
3 said. The Court hasn't had a chance to review the entire trial
4 transcript. So, I think it's appropriate to point it out.

5 Q (BY MS. VAN MARTER) I'd also point you to Mr. Kurt's
6 testimony on Page 158 of the trial transcript. Can you see
7 that, Agent Cleary?

8 A I can see that better now, yes.

9 Q Okay. Sorry.

10 A Okay.

11 Q Okay. Would you, please, read starting from Line 3?

12 A Line 3. "Question. All right. Do you" -- "So you had an
13 interest in a free white racial society?

14 "Answer. Only to the effect of my contact with
15 David Udseth."

16 Q Keep going, please.

17 A Continue? Okay. "Okay. But the final solution --
18 wouldn't that result" -- the sticky's there. I think it says --

19 Q Okay.

20 A -- "result in a free white racial society, sir, and your
21 final solution?

22 "Answer. That's the general term of white supremists

1 society. Is that correct?

2 "Answer. It's not my final solution, but I'm making
3 reference to white supremist (sic) beliefs in the final
4 solution.

5 "Question. Hm.

6 "Answer. I'm aware of that. It's nothing that I embrace.

7 "Question. You just pretend to embrace it. Right?

8 "Answer. I have in the past."

9 Q And, again, this video took place before Mr. Udseth was a
10 CS and before the secondary investigation into Mr. Kurt.
11 Correct?

12 A Yes.

13 Q And this --

14 A Correct.

15 Q And this video that came into the hands of FBI was unknown
16 and unaware to Mr. Kurt. Correct?

17 MR. WALL: Objection to that, your Honor.

18 THE WITNESS: I --

19 MR. WALL: He can't testify to what Mr. Kurt is aware
20 of or was aware.

21 THE WITNESS: I'd speculate, yes.

22 THE COURT: Okay.

23 MS. VAN MARTER: Let's go to the next video.

3 (Video Clip No. 2 played)

4 Q (BY MS. VAN MARTER) Is Mr. Kurt in that video?

5 A I believe he is.

6 Q Could you circle on your screen where he's standing?

7 A There's a better picture of him in the previous -- in the
8 beginning of the video, but --

9 Q All right. Back it up a bit?

10 A -- I believe it's right there (indicating). If you backed
11 up to the beginning, you could see him.

12 THE COURT: You can erase that by touching your

14 THE WITNESS: Oh, thank you, sir.

15 (Video Clip No. 2 replayed)

16 THE WITNESS: He's -- he's to the right of

18 Q (BY MS. VAN MARTER) Can you circle --

19 A Second row.

20 Q Where?

21 A Well --

22 Q There.

23 A There we go.

24 Q Okay.

25 A I believe that's Mr. Kurt.

1 Q What's he doing with his arm?

2 A Raising his hand.

3 Q In what type of symbolic gesture?

4 A It could be Heil Hitler. Sometimes it's Hail Odin. He
5 said, "88."

6 (Video Clip No. 2 replayed)

7 Q (BY MS. VAN MARTER) And what's on the flag?

8 THE COURT: You can erase it, Ms. Van Marter. Okay.
9 Thank you.

10 THE WITNESS: There's an iron cross. A swastika. It
11 appears to be a Nazi flag.

12 Q (BY MS. VAN MARTER) And, based on your training and
13 experience in investigating white supremacist groups, are those
14 symbols significant?

15 A Yes. Significant with white supremacy.

16 Q Clip No. 3, "KJ smackdown." What is -- what is that in
17 reference to?

18 A There was a member of the Vanguard Kindred, who went by
19 "KJ," who was not at this -- not in attendance at this
20 gathering; and Daniel Wilson was upset that he was not.

21 Q And, again, Daniel Wilson was referred to as "Church," as
22 well?

23 A "Church." That's correct.

24 (Video Clip No. 3 played)

25 Q (BY MS. VAN MARTER) And, again, where is Mr. Kurt?

1 A He's sitting -- on the screen, he's to the right next to
2 Church.

3 (Video Clip No. 3 continued to be played)

4 Q (BY MS. VAN MARTER) So, this, again, occurred prior to
5 Mr. Johnson's assault. Correct?

6 A That's correct.

7 Q And Mr. Kurt was sitting right next to Church during this
8 statement?

9 A Yes.

10 Q So, Mr. Kurt is aware at this point in time that there's
11 references to violence. Correct?

12 A I believe he would be.

13 Q And he makes a statement about "HSH." What is "HSH"?

14 A Hakenkreuz Skinheads. It's a white supremacist group. A
15 skinhead group.

16 Q Again, is there any mention about the Odinist religion in
17 this clip?

18 A I don't believe so, no.

19 Q Okay. I think this is the right one. So, the next one,
20 Video Clip No. 4 -- and there's a couple that are entitled "What
21 have on you done?" Is that in reference to that question "What
22 have you done for your white race?"

23 A Yes.

3 Q Okay. Sorry. There we go.

4 (Video Clip No. 4 played)

5 Q (BY MS. VAN MARTER) Okay. So, in this section or in this
6 sequence of the meeting, are they -- are they going around the
7 room and asking this question?

8 A Yes. "What have you done for your race last week?"

9 Q And, so, compared to Government Exhibit 50, which was
10 played at trial, were these the ones that occurred prior to
11 being -- Mr. Kurt being asked the same question?

12 A I believe so, yes. They were just prior to it.

13 Q And this is, actually, after Video Clip No. 1 when Mr. Kurt
14 references "plotting and scheming." Is that correct?

15 A That's correct. I believe these are all in sequential
16 order by time.

17 Q Okay. Play No. 5, which was Government's Exhibit 50.

18 (Video Clip No. 5 played)

19 Q (BY MS. VAN MARTER) Mr. Kurt mentions carrying out a plan
20 in the next four months. Is that correct?

21 A That's correct.

22 Q And, again, this was January of 2009?

23 A That's correct.

24 Q Was there action taken by the FBI after this time period,
25 after this video was made, that targeted the Vanguard Kindred?

1 A Yes.

2 Q And what was that?

3 A March 7th, 2009, we attempted to disrupt the group by doing
4 several interviews. We contacted several members of the
5 group -- we did contact Mr. Kurt -- basically, as a means to
6 disrupt the group, any plans that they had. We weren't sure
7 what they were. Hopefully, it would be disrupted with our
8 increased presence and interest.

9 Q And did you come to learn if the FBI was successful in
10 disrupting Mr. Kurt's plans?

11 A I believe so.

12 Q Did you bring Attachment --

13 A Attachment D.

14 Q -- D with you?

15 A Yes.

16 Q And were there other sources available to the FBI during
17 the course of these investigations?

18 A Yes.

19 Q And did you attach, or did the United States attach, in
20 Government's Exhibit D reference to the disruption of plans
21 according to the timing that Mr. Kurt had stated in terms of
22 within the next four months?

23 A Yes. The second page of Attachment D.

24 Q Could you read the discovery page number at the bottom?

25 A It's 143. I think the Bates number is 00050178.

2 time period.

3 A It's -- it's the fourth paragraph. It says, "Kurt stated
4 that he had 3 'projects' underway when the FBI started doing
5 interviews of Vanguard Kindred . . . members. He stopped his
6 projects because he believed . . . he was under scrutiny from
7 the FBI. He now believes that the FBI is not focused on him and
8 he is comfortable working on his projects again."

9 Q So, in terms of these two investigations, we have the
10 investigation of the Vanguard Kindred and, then, ultimately, an
11 investigation into Mr. Kurt that occurs later. Is that correct?

12 A Yes.

13 Q Based upon this video and what you learned in this
14 investigation, did you believe that Mr. Kurt, again, planned to
15 proceed forward with a plan?

16 A On the -- with my preceding investigation?

17 Q Yes.

18 A Yes.

19 Q Towards the final solution?

20 A Yes. He was planning something in my opinion.

21 Q And, then, if you could -- on Page 143, second paragraph,
22 if you could please read that, as well.

23 A It begins "Kurt stated"?

24 Q Yes.

25 A "Kurt stated that he needed" -- excuse me. "Kurt stated

4 also stated that he needs an airplane pilot for the job. Kurt
5 declined to discuss it further after Nicole Kuester, who was
6 present, started to ask some questions. Kurt told the CHS that
7 it was a discussion for another day."

8 Q And, then, does he make reference to his having full access
9 to his employer's business?

10 A Yes. He states that, on Paragraph 3, ". . . he has full
11 access to all areas of his employer's business. . . . he has
12 [the] codes and keys for everything." And he showed the large
13 key chain as proof.

14 Q And did he mention working on his projects in his
15 employer's business?

16 A Yes. Next sentence, "He stated that he often stays at the
17 office or shop all night working on his personal projects."

18 Q And, again, what was the date of this report?

19 A Contact date was May 18th, 2009.

20 Q And, again, that was prior to this investigation of
21 Mr. Kurt and the use of Mr. Udseth as a CS in 2010 --

22 A That's correct.

23 Q -- and 11. Is that correct?

24 A That's correct. The report author was Agent William Long,
25 Coeur d'Alene FBI.

2 (Video Clip No. 6 played)

3 Q (BY MS. VAN MARTER) And, again, who was that?

4 A Ben Bargiel. He's a member of the VK.

5 Q And, in the earlier part of the clip, they hold up a flag

7 about there?

8 A NSM, National Socialist Movement. It's -- it's a white
9 supremacist group.

10 Q And, again, the same flag with the swastika -- type of

17 A That's Jake Wilson.

18 Q And who is Mr. Wilson referring to as far as "a good guy"?

19 A Wayde Kurt.

20 Q And he's referencing going out New Year's Eve. Is that
21 correct?

22 A That's right.

23 Q And what's the significance of that time period in terms of

3 A According to Mr. Wilson, they were "coon hunting," looking
4 for African Americans or minorities to assault.

5 Q And do you recall testimony from Mr. Kurt as to how he,
6 supposedly, met these individuals?

7 A Yes.

8 Q During trial?

1 little bit of a break from snow removal. And a car was kind of

4 "Hail Odin." And I recognized the hail, and so I hailed them --
5 "Hail, Odin" -- back, in return to them. And they pulled over

2 "Answer, They would talk about episodes where they -- and
3 I'm referring to the Valhalla Bound Skinheads that were forming
4 at this point in early 2009 -- about going out to bars and
5 looking for people of other races that were coming in and

1 generally, talking about?

2 A I believe he's talking about blots.

3 Q "Being hammered in at a blot"?

4 A Yes.

5 Q Now, is that, actually, a common methodology or part of the
6 Odinist religion?

7 A Having a blot?

8 Q Yes.

9 A Yes. That's how they -- that's their celebration.

10 Q And, in these videos that we've watched and we're going to
11 watch some more about the blot, is there a constant theme being
12 weaved in here, as well, of white supremacy?

13 A In these VK blots, yes.

14 Q And, in this section of Mr. Kurt's testimony, if you could,
15 read the highlighted section.

16 A It says, part of an answer, ". . . you can invite anyone of
17 any race to observe."

18 Q And is he referencing a blot?

19 A Yes.

20 Q And, in this section of the video at the pre-blot, what
21 kinds of flags were being hung?

22 A There was a swastikas flag. There was a -- like, a
23 confederate flag of sorts that said, "The South Will Rise

25 Q And are you familiar with that term or that type of flag,

1 "The South Will Rise Again"?

2 A Yes.

3 Q And what is that in reference to?

4 A A Confederacy; that they will be back.

5 Q And, at the beginning of this video, Video Clip No. 8,
6 there was -- somebody mentions "White Power" and, again, the
7 hail sign. Is that correct?

8 A That's correct.

9 Q Yet Mr. Hurt testified that "anyone of any race" is welcome
10 to come?

11 A Yes. That's correct.

12 Q Let's go to Video Clip No. 9. This is entitled "Raising
13 the Wall." What does that mean?

14 A It's reference to what Keegan VanTuyl is saying during the
15 blot ceremony.

16 Q And what's Keegan VanTuyl's role during the blot?

17 A He's the gothi or the leader. He's the religious leader.
18 He leads the blot.

19 (Video Clip No. 9 played)

20 Q (BY MS. VAN MARTER) And is Mr. Kurt in attendance?

1 A I believe at the beginning, but I wasn't present so I'm not
2 sure; but I believe at the beginning. And they're going around
3 and -- and hailing the -- the four gods.

4 Q And Keegan VanTuyt makes a statement after each time he
5 hails. Do you recall what some of those statements were?

6 A He's asking Odin to -- for assistance in protecting them
7 from the "niggers," the "chinks," the "beaners."

8 Q And who are the "beaners"?

9 A I believe he's inferring or implying Mexicans, Hispanics.

10 Q And, so, after every time he hails, he makes a statement of
11 "Keep the niggers at bay," "Keep the chinks at bay," and "Keep
12 the beaners at bay." Is that correct?

13 A That's correct.

14 Q And is that part of the Odinist religion or white
15 supremacy?

16 A I don't believe that's part of the Odinist religion. And
17 I -- and I know Mr. Kurt said that, you know, "anyone of any
18 race" is welcomed. That would be surprising. I wouldn't feel
19 welcomed if I was a minority.

20 Q And we made reference to this twice and just so that the
21 record is clear, Who are "chinks"?

22 A I believe Asians.

1 What's happening at this portion of the ceremony?

2 A They are hammering in Wayde Kurt into a member of the VK.
3 That's my understanding. And "hammering in" isn't, like, a gang
4 term where you -- you beat somebody down. It's just like they
5 take the -- the Thor's hammer that Keegan has and -- and knock
6 it on a -- maybe a Thor's necklace.

7 Q So, this is the point in which Mr. Kurt becomes an official
8 member of the Vanguard Kindred. Is that correct?

9 A That's my belief, yes.

10 Q And, at this point in time, he's joining or being "hammered
11 in" after being a part of all of the other videos and things
12 that we saw from earlier this day. Correct?

13 A Yes.

7 A This was a VK blot, and it was white-supremist based. Not
8 all --

9 Q Is there --

10 A Not all Odinist ceremonies are, but this one was.

11 Q So, there are Odinist ceremonies out there that don't
12 involve espousing white-supremacist beliefs. Is that correct?

13 A That's -- that's my understanding, yes.

14 Q So, in terms of the Vanguard Kindred that Mr. Kurt is just

2 A Yeah. I believe it's "overwhelming power," yes.

3 Q And, based upon your investigation of Mr. Kurt -- and
4 there's some historic materials that have been presented to the
5 Court, what type of resources does Mr. Kurt offer?

6 A He's quite skilled at counterfeiting U.S. currency.

7 Q And is putting forth money a common theme that Mr. Kurt
8 presents during the course of this investigation?

9 A Yes.

10 Q And, specifically, what he does reference?

11 A He references funding a movement behind the scenes.

12 Q And, aside from counterfeiting currency, does Mr. Kurt
13 offer other resources?

14 A Well, he's -- he was able to obtain firearms. So, those
15 are, certainly, resources for a movement.

16 Q And what about identifications?

17 A Yes. He's quite adept at manufacturing -- has been for

16 an old man that's figured he's gone too far spent too many years

5 And, then, he continues on.

6 Q And, based upon your understanding of Mr. Kurt's history,
7 he references the "fourth time around." What is that about?

8 A I understood the "fourth time" to be this time. The time
9 that he was actively obtaining firearms and obtaining ammo,
10 training.

11 Q And, previous to that, he makes reference to always being
12 "ratted out." Are there previous federal investigations where
13 Mr. Kurt has been prosecuted over the years?

14 A Yes. It's my understanding that there were other
15 investigations by the Secret Service and other agencies where
16 sources were used or people turned and -- and discussed criminal
17 activity Kurt was involved in.

18 Q And, so, why was that session, then, significant to you in
19 terms of how -- how much farther the FBI was going to continue
20 the firearms investigation?

21 A It struck me as his mindset had changed. He said himself
22 he's -- he's becoming an old man and he's desperate. And he
23 certainly has the funding. He has the training. And now he has
24 the mindset and, certainly, a long criminal history. He was

1 be stopped.

2 Q And, again, you mentioned previously that Mr. Kurt had a
3 history of being behind the scenes and not being at the
4 forefront because of his name. What is that in reference to?

5 A He says more than once that his -- his reputation -- that
6 the Jews would -- would jump on it. And, with his long criminal
7 history, he couldn't be the face of a movement; but he could
8 work behind the scenes -- through funding, through other
9 things -- to help the cause.

10 Q Again, utilizing his skills?

11 A Yes.

12 Q Now, were there other portions of the transcripts that we

12 Kurt continues: "But business first, take care of
13 business. Got to stop Barry Soetoro from being
14 re-elected...absolutely."

15 And Barry Soetoro is -- is who Kurt references as President
16 Barack Obama.

17 Q And I'm going to ask you in a minute about reference to
18 "the rats," but does he make other reference to Barry Soetoro in
19 a previous transcript?

20 A He does.

21 Q And which transcript is that?

22 A That is a good question.

23 Q I believe it's -- look at the July 21st, part of
24 Attachment E. Oh, I'm sorry. August 12th.

25 A What page?

1 Q It should be marked. It should be marked with a tab.

2 A Oh, here it is. I'm sorry. On Page 192.

3 Q And, again, is this a part of Government's Attachment E?

4 A It is. "Kurt: Just fucking I mean you know, killing the
5 President of the United States because (sic) he is a fucking
6 nigger and how to do it. Oh my God..."

7 Q And who's making that statement?

8 A That's Kurt.

9 Q If you could, reference who's making the statement as you
10 read along.

11 A I'm sorry. Yes. Kurt. Kurt said that. And, then, it's
12 unintelligible.

13 Source says, "I hear he is supposed to be coming to the
14 Northwest?

15 "Kurt: Who? Barry Soetoro? Barack Hussein Obama? His
16 real name is Barry Soetoro. That's what he was born from
17 the...that's his, his . . . name."

18 Q And does he continue to discuss making sure Barry Soetoro
19 doesn't get elected?

20 A He does. Farther down on the -- that page, Page 193.

21 "Kurt: And he's got no interest in the United States,"
22 referring to President Obama, "whatsoever other than running us
23 right into the ground...he needs to be killed, needs to be

25 Q And that was Mr. Kurt?

1 A Yes.

2 Q And going back to -- then going back to the transcript,
3 referencing taking care of business first and, then, taking care
4 of the rats. Who is Mr. Kurt referring to when referencing "the
5 rats"?

6 A It's my understanding informants. People who have talked
7 to the police about him.

8 Q And, obviously, you previously testified earlier in the
9 transcript he expressed being caught by informants or rats.

10 A That's correct.

11 Q And does he repeatedly reference informants and rats during
12 the recorded conversations on all four occasions?

13 A He does. He -- he -- it's a theme throughout.

14 Q And are you familiar with Government's Exhibit No. 51, a
15 letter that was written by Mr. Kurt and admitted during the
16 course of trial?

17 A Yes.

18 Q And does that letter also focus on the confidential source
19 or informant used in this investigation?

20 A Yes. That letter named Informant Dave Udseth. And
21 Mr. Kurt tried to use a third-party, James Pope, to get the
22 letter out of jail to, I believe, Keegan VanTuyll to put the word
23 out that Dave Udseth was a source of the FBI.

24 Q And are you familiar of testimony by Mr. Kurt during the

2 A Yes, that's what he said.

3 Q And I want to move, then, to unredacted portions of the
4 transcripts submitted on August -- or August 30th. Do you have
5 that in front of you?

6 A I do.

7 Q And, during this section of the unredacted transcript, what
8 is Mr. Kurt generally discussing?

9 THE COURT: What page are you talking about now?

10 MS. VAN MARTER: I'm sorry. The entire portions
11 before August 30th, your Honor, that were submitted.

12 THE COURT: That starts on Page 210, if I follow you.

13 THE WITNESS: Okay. That's correct. It does start on
14 210. There -- there's a few themes in this but one is that he's
15 trying -- Mr. Kurt is talking about setting up a -- appears to
16 be a front organization akin to the Northwest Front, which is a
17 white supremacist group. And he was going to help fund it with a
18 hundred thousand dollars. He would pay for two employees. And
19 that would be the -- the PR face of the movement. And he would
20 not be the face of the movement. He would be behind the scenes.

21 Q (BY MS. VAN MARTER) And, again, this was discussed
22 somewhat during trial but what group were Mr. -- was Mr. Kurt
23 interested in presenting this information to?

24 A I don't understand your question. I'm sorry.

25 Q Another group that he was --

1 A Northwest Front? Yes. Yeah, he was trying to -- yes. My
2 understanding is, from reading this, he was trying to mirror the
3 group to be somewhat like Northwest Front, an out-there group, a
4 public group advocating white supremacy.

5 Q And does Mr. Kurt use racial rhetoric during this portion
6 of the under -- unredacted transcripts?

7 A He does.

8 Q And we've -- we've kind of included some of the unredacted
9 portions. And, obviously, the redacted portions the Court's
10 already aware of from trial. But, during the totality of those
11 transcripts, is there any mention in there of the informant
12 asking Mr. Kurt to be an armorer?

13 A No. There's no reference to being an armorer.

14 Q And is there any mention in those transcripts about
15 Mr. Johnson's assault?

16 A No.

17 Q And, based upon the totality of what we've reviewed here in
18 court, all the segments of the videos and your investigation of
19 Mr. Kurt, what was your concern about Mr. Kurt's supposed plans?

20 A After listening to the tape, especially on August 21st, it
21 struck me that he had two plans: One, he wanted to take care of
22 people that informed on him possibly through silent deadly
23 kills, which he had referenced before. And he also seemed to
24 have a bigger plan. One he referenced: Oklahoma City. It's
25 going to be bigger than that.

1 I believed he was planning something. Again, I -- I can't
2 say what it was. I didn't know. I didn't want to wait. We
3 couldn't risk that. And our job is to disrupt groups,
4 individuals, who would commit terrorist acts; and that's what we
5 did with Mr. Kurt. We had to act quickly.

6 Q And, in terms of separate plans, were there references
7 during the course of the tape-recorded conversations regarding
8 silencers?

9 A Yes.

10 Q Silent deadly kills?

11 A Yes.

12 Q Manufacture of ammunition that didn't leave trace evidence?

13 A Yes and subsonic rounds that were quieter.

14 Q And, then, in terms of a more global potential plan, is
15 this consistent with Mr. Kurt's statement as to the final
16 solution?

17 MR. WALL: Objection, your Honor.

18 THE COURT: Well, that's his opinion.

1 Agent Cleary.

2 THE WITNESS: He -- he -- Mr. Kurt references the
3 final solution. I -- I believe Mr. Kurt had a plan that
4 involved the President of the United States in a terrorist
5 attack of some sort. That's my belief.

6 Q (BY MS. VAN MARTER) And, again, why is it that the FBI
7 intervened at the point that it did at the end of this firearms
8 investigation?

9 A I just can't wait. He has the means. He had, certainly,
10 the intent. He was desperate. He had the training to follow
11 through with a terrorist attack. He, certainly, was talking
12 about one. And it's my job, and people I work with, to disrupt.
13 Not wait for the event to happen and then arrest the people. We
14 need to stop them before they -- before they occur. So, we
15 charged Mr. Kurt with felon in possession.

16 MS. VAN MARTER: If I could have a moment, your Honor.
17 (Pause in the proceedings)

18 Q (BY MS. VAN MARTER) And -- and just so -- so that the
19 Court is clear, obviously, the statements of concern that you
20 testified occurred on August 21st. Is that correct?

21 A Yes.

22 Q And when was Mr. Kurt arrested?

23 A August 30th.

24 Q And between the 21st and the 30th, what was the FBI doing
25 in reference to Mr. Kurt?

1 A We were trying to surveil him, trying to keep tabs on what
2 he's doing, getting documents ready for an arrest.

3 Q And surveilling him was -- what was the point of the
4 surveillance at that time?

5 A To see who he's meeting with; to further determine, if
6 there was a plot, what the plot was.

7 Q And was he doing anything of concern between the 21st and
8 the 30th?

9 A I'm trying to remember. I can't recall, actually, what he
10 was doing.

11 Q Was he making any purchases?

12 A That was on the 30th. Yes. He had gone to several stores.
13 We surveilled him going to several stores buying wires, bolts,
14 things like that. We believed at the time, based upon, also,
15 some of his conversations, that, perhaps, he's building a device
16 -- explosive device.

17 Q And did that speeden (verbatim) up -- or speed up
18 the reaction?

19 A That certainly sped up the timeline. Yes, he was arrested

1 CROSS EXAMINATION

2 CROSS BY MR. WALL:

3 Q Good morning, Agent Cleary.

4 A Good morning.

5 Q You initially testified about the -- regarding these videos
6 that were taken at a meeting that occurred on January 10th,
7 2009. Correct?

8 A Correct.

9 Q Okay. And I just want to be clear on that. And it's your
10 understanding that that was a meeting of the group you called
11 the Vanguard Kindred.

12 A That's correct.

13 Q Were you aware or -- well, let me put this a different way.
14 Some of the people that were at that meeting and professed to be
15 members of the Vanguard Kindred were also part of a group called
16 the Valhalla Bound Skinheads. Correct?

17 A I don't believe the Van (sic) -- the Valhalla Bound
18 Skinheads were formed then. So, no.

19 Q Okay. They became members of a group called the Valhalla
20 Bound Skinheads.

21 A Some of those members at the VK subsequently, yes, joined
22 the VBS.

23 Q And there were more than one person at that meeting that
24 was an agent of the Government. Isn't that true?

25 A At the time?

1 Q Yes.

2 A There was one.

3 Q Yes. Only one. Okay. There was another one who became an
4 agent for the Government.

5 A That's correct.

6 Q And, since you were asked about what was in the video, I
7 will ask you some questions about that, as well. A number of
8 people are saying things like "White Power" and those kind of
9 things. Mr. Kurt never says, "White Power," "Hail to White
10 Power," does he?

11 A I never hear him say, "White Power."

12 Q All right. When they're going around the room asking
13 people what they have done, a number of people indicate that
14 they've been out assaulting or trying to entice minorities into
15 confrontations so that they can assault them. Correct?

16 A Yes.

17 Q Yeah. In fact, that's prime -- that's the primary theme of
18 the people responding to the question, "What have you done for
19 your race?" Would that be fair to say?

20 A Yes.

21 Q Yeah. Mr. Kurt never says he did anything like that, does
22 he?

23 A No. He says he's -- he says other things.

24 Q Yes.

25 A He doesn't say --

1 Q He says other things. No one in the group indicates that
2 Mr. Kurt ever participated with them in doing any of those
3 things, did they?

4 A That's not accurate. Jake Wilson said that Mr. Kurt
5 pointed out where to find the niggers and the Jews --

6 Q Okay.

7 A -- which is participating.

8 Q I'm talking about, actually, participating in assaults.

9 A Actually striking someone else? No.

10 Q Or going out and trying to intimidate people or trying to
11 entice them into confrontations. He never -- no one ever said
12 that "I went out last week and Kurt was with me and we did
13 this."

14 A That's right.

15 Q Yeah. All right. You don't know who invited Mr. Kurt to
16 that meeting, do you?

17 A Do I know? No. It seemed from the video he befriended
18 Jake Wilson and Shep pounds them -- Shep sponsors him to join
19 the VK. But who invited him I do not know.

20 Q You don't know what Mr. Kurt was told about that meeting
21 before he was -- before he came to it, do you?

22 A That's correct.

23 Q So, you don't know what his expectations were when he came
24 to the meeting.

25 A Before the meeting, what his expectations were, I do not

2 but --

3 Q And you talked, at that point in your testimony, about
4 developing an investigation to try to disrupt Mr. Kurt's plan.
5 Do you recall that testimony?

6 A Initially, it was to disrupt the Vanguard Kindred.

7 Q Yeah. But I think there was some specific testimony about
8 -- directed at Mr. Kurt's plans; that is, on the video, Mr. Kurt
9 says, "Something's going to happen within four months." Do you
10 recall that?

11 A Yes.

12 Q Okay. Would you agree that was pretty vague statement that
13 he made?

14 A That was vague.

15 Q Yeah. He --

16 A That's fair to say.

17 Q He didn't say anything specific about what he was actually
18 going to do.

19 A He was just plotting and scheming something, yes.

20 Q Yes. And he didn't even say anything specific about what
21 he had actually done.

22 A That's correct. He makes no admissions.

1 particular act. Correct?

2 A Well, he's -- he's working 20 years on the final solution.

3 So, I -- I -- my interpretation is he's planning his final

4 solution. He's planning something. He's working toward that.

5 Does he admit to assaulting African Americans? No.

6 Q Does he admit to doing anything?

7 A He admits to planning something.

8 Q Planning something.

9 A But admitting an immediate act? No.

10 Q What plans did you think that you were going to disrupt?

11 A A terrorist event of some sort that he was planning.

12 Q Just a terrorist event of some sort.

13 A Well, he -- he said he wanted to kill the people that

14 ratted him out. He wanted to --

15 Q No. I'm --

16 A -- eliminate the rats.

17 Q I'm speaking about your testimony regarding that initial
18 meeting.

19 A Oh, okay.

20 Q Because you had testified at that point that -- that your

9 Q Okay. So, your source would have an incentive to give you

6 Q And you've testified at some length about statements that

17 A Yes.

18 Q Okay. What exactly were those plans?

19 A As I testified, I don't know specifically what his plans

21 plans. And he was going to -- he was desperate, he was old, he
22 wasn't -- you know, he was done, and he was going to make

12 A I did not find any evidence of that, no. Again, I -- I do
13 not know what his plan was. He referenced a plan. He was
14 working toward a plan. Again, what his plan was I don't know.
15 We arrested him before we knew.

16 Q Okay. But you specifically referenced his statement to
17 Mr. Udseth that the -- President Obama needs to be killed.
18 Correct?

19 A Yes.

20 Q Yeah. And I think you testified that you thought he had
21 some sort of plan to carry that out.

22 A Yes. If I were to speculate on what his plan was -- as,
23 again, I do not know -- it was something to do with the
24 president.

25 Q But you would be speculating.

1 A Sure.

2 Q You never found any evidence, actually, of any specific
3 plan to carry out any kind of terrorist activity, did you?

4 A Again, I -- I said I do not know what his plan was.

5 Q Well, that wasn't my question. My question was whether you
6 found any evidence indicating that he had any plan to carry out
7 any kind of specific terrorist activity.

8 A What his plan was, I do not know. That's correct. He
9 certainly had the means. He had the training. He had the
10 weapons. He had the motivation. He had a desperation. But
11 what his plan was I've got no evidence of.

12 Q Well, all those things you just discussed are things that
13 you're taking from his statements to the confidential informant.
14 Correct?

15 A No. No. And -- and the evidence we seized, the weapons.
16 His statement at trial that he's a master counterfeiter.

17 Q Well, okay. But your statement that he was desperate.
18 That was a statement that he made to the CI.

19 A Oh, yes.

20 Q Okay.

21 A And that he's a three-time loser and he's -- you know, he's
22 up for the fourth time; that he's been arrested several times.

23 Q You didn't find any writings of his when you -- when he was

2 Q Did you find any notes? Any -- any --

3 A About a plan?

4 Q -- written plans of any kind?

5 A No.

6 Q No. You didn't find any kind of notes or letters to other
7 people saying, "I'm going to do something soon, and I'm going to
8 get -- I'm going to be arrested for it or something bad's going
9 to happen."

10 A No.

11 Q No. You didn't find any -- any kind of evidence that he
12 was constructing any kind of explosive device.

13 A No. I believe he had a book on RPGs at his residence, but
14 I don't --

15 Q And what's an "RPG"?

16 (Interruption by the reporter)

17 THE WITNESS: It's a -- it's a -- basically like a --

19 Q (BY MR. WALL) And that -- and that was, actually, a book

4 his plot -- plan was.

5 Q You didn't find any -- any evidence of -- that he had been
6 studying up on how to make a silencer.

7 A That's correct.

8 Q Okay. So, other than the fact that he was in possession of

18 REDIRECT BY MS. VAN MARTER:

19 Q Agent Cleary, was Mr. Kurt, after having several contacts

21 enforcement activity?

22 A Yes. His operation security was very high.

24 A He would drive several blocks away from his house to make a

1 for fear of being tapped. He would use snail mail to

3 Q And, obviously, from his prior experiences, he had been
4 caught by informants on several previous occasions. Is that
5 correct?

6 A That's correct.

7 Q So, did you expect to find a written blueprint of his plans
8 when you searched his residence?

9 A No.

10 Q Did you expect to find highlighted plans or photographs --

11 A No.

12 Q -- at his residence?

13 A No.

14 Q Why not?

15 A It would be foolish. It would not be good OPSEC for him to
16 keep those documents around.

17 Q And Mr. Kurt, having been around, by his own statements,
18 for 20 years, did he become relatively savvy in his -- in his

20 MR. WALL: Objection, your Honor. There's no basis

2 Q (BY MS. VAN MARTER) And, so, Mr. Wall was asking lots of

8 A That's correct. He thought they were brothers in the arms.
9 Brothers in the struggle.

10 Q And Udseth was present a year prior when Mr. Kurt was

12 A That's correct.

1 evidence to capture and arrest Mr. Kurt.

2 Q (BY MS. VAN MARTER) And was there something particularly

5 A Something appealing? Yes. Mr. Udseth doesn't have a --
6 did not, at the time, have a criminal history. He was clean.
7 He could be a face while Mr. Kurt worked behind the scenes. He
8 could purchase, possess firearms. Mr. Kurt couldn't.

9 Q And did Mr. Udseth also have open property that Mr. Kurt
10 could practice on?

11 A Yes.

12 Q Mr. Wall asked you several questions about Mr. Kurt not
13 being a part of the "coon hunting." Is that correct?

14 A Yes.

15 Q And do you recall sections in the recorded transcripts
16 where Mr. Kurt talked about members of the Valhalla Bound
17 Skinhead drawing too much attention?

18 A Yes.

19 Q And what was that about?

20 A I believe it was about the assaults. I'm trying to
21 remember. His assault on Anton Johnson.

22 Q And was Mr. Kurt upset about the attention --

23 A Yes.

1 and he was, as part of the group, would get focused on. That

3 Q And, in fact, that occurred, is that correct, that law
4 enforcement focused on those members.

5 A That's correct.

6 Q And, in fact, Mr. Church and Mr. VanTuyt were arrested

8 A Yes. And both have been sentenced.

9 Q So, based on those statements, would Mr. Kurt be one to

12 A No.

13 Q During the video that we saw -- and if you have

16 A 4:31 p.m.

17 Q What time was the last video clip?

19 Q So, how many hours had passed during this time period?

20 A Over four hours.

21 Q So, Mr. Kurt was present for over four hours during all of

24 last clip. Yes.

1 was not free to leave?

2 A No. I saw no evidence that he was held against his will
3 there. He was fully participating.

4 Q You were also asked some questions about the first source
5 during the time in which the Vanguard Kindred -- when the FBI
6 was attempting to disrupt the Vanguard Kindred.

7 A Yes.

8 Q And you were asked if -- about corroboration.

9 A Yes.

10 Q Were you able to corroborate the source's information?

11 A Yes. The source was reliable.

12 Q And how were you able to corroborate specific to this
13 investigation?

14 A He spoke about -- that source spoke about the assault on
15 Anton. He heard it from Kurt. And that source report,
16 regarding the assault on Anton, which was told to him by Kurt,
17 mirrors very closely what Dave Udseth testified to; that
18 Ben Bargiel, Keegan, and Church were the assaultees. That
19 Dave Udseth did not participate in the assault.

20 Q And you were here during Mr. Kurt's testimony at trial.
21 Correct?

22 A Correct.

23 Q And did Mr. Kurt testify as to Mr. Udseth's involvement in
24 that assault?

25 A He did.

1 Q And what was his testimony?

2 A It was different than what he had told the source and what
3 Mr. Udseth testified to.

4 Q So, earlier in time, close to when this video was made,
5 Mr. Kurt said what to the source regarding Mr. Udseth's
6 involvement in that assault?

7 A That he was not -- that he was not involved.

8 Q Yeah. In testimony he said what?

9 A He was involved.

10 Q And, aside from the assault on Mr. Johnson, were there
11 other areas in which you were able to corroborate the source's

13 A I believe this -- he told the source -- or the source,
14 excuse me, told us, after speaking to Kurt, that Kurt is a
15 counterfeiter, had shown cash -- counterfeit currency to Dave
16 and Carma. And that's what Mr. Udseth said, as well.

17 Q And, again, is this consistent with the resources that
18 Mr. Kurt would typically offer based on your understanding of

20 A Yes.

21 (Pause in the proceedings)

5 statement from the source that the assaultees were Bargiel,
6 VanTuyt, and Dan Wilson "Church," and that Dave Udseth did not

3 counterfeit identifications.

4 Q All right. And, as a result of that, did you have occasion
5 to could in -- become involved in an investigation of Wayde Lynn

10 A Approximately, January, 2002.

11 Q And why did you start to investigate Mr. Wayde Lynn Kurt?

12 A The Secret Service office here in Spokane received

1 A At least two.

2 Q All right. And had he been -- to your knowledge, at that
3 time when you started investigating him, did he have prior
4 convictions for that?

5 A Yeah.

6 Q Felony convictions?

7 A Yes. In fact, he was on supervised federal release, I
8 believe.

9 Q And, as a result of you having information that he -- of --
10 regarding an off -- or a printing press, had Mr. Kurt previously
11 used an offset printing press in manufacturing United States
12 counterfeit Federal Reserve notes?

13 A He did.

14 Q And, so, did that pique your attention into Mr. Kurt's
15 activities at that time?

16 A Yes, especially since he was renting this -- or at least
17 signing in on the storage unit under a fictitious name.

18 Q Did you have any reason to believe at that time that
19 Mr. Kurt still had in his possession or had -- knew the
20 whereabouts of counterfeit United States currency.

21 A I'm sorry. Ask that question again, please.

22 Q At that point in time, did Secret Service still believe
23 that Mr. Kurt possessed or was hiding counterfeit currency?

24 A Yes.

25 Q And, so, was your investigation into Mr. Kurt -- was it

1 started to determine whether or not he was involved again in the
2 manufacture or the possession or dealing of counterfeit
3 currency, sir?

4 A In my opinion, it was both. We never -- almost never
5 recover all the counterfeit currency from any manufacturer that
6 I've ever worked in all my years with the Secret Service. And,
7 so, that was always a concern that there's outstanding
8 counterfeit currency out there. In addition to the fact that
9 anybody moving an offset printing press into a storage unit
10 under a false name, I was concerned that he may be considering
11 starting a new counterfeit operation.

12 Q All right. As a result of that, did you make contact with
13 his United States Probation and Parole officer here in Spokane,
14 Washington?

15 A I did.

16 Q And what was the purpose of that contact?

17 A I wanted to get Ms. Kuest to amend his -- his release
18 conditions so that he was -- would not be allowed to possess an
19 offset printing press.

20 Q All right. Did you have -- as a result of that, do you
21 know if Mr. Kurt met with Ms. Kuest on that particular issue?

1 he, what Ms. Kuest said, "stormed out of the office." And we

3 Q And you actually -- Secret Service, actually, followed him,
4 then, to the -- was this the storage unit that he had in the

9 A Yes. We observed him go into the storage unit and take a
10 -- a black bag and remove it and put it in his van.

11 Q All right. Now, subsequent to -- to that, did the Secret
12 Service receive any information that Mr. Kurt might have a

14 A Yes, we did. Go ahead.

15 Q And, approximately, when was that in relationship to you

6 A Yes.

5 A That's correct.

6 Q And the last time that you were aware of where these

2 A I did attempt that. And, in addition, I did obtain his
3 employment records, his application from Goodwill Industries,
4 which is the main basis of my knowledge of his handwriting.

5 Q So, you believed, at the time that you had that, that that
6 was Wayde Kurt's handwriting on these letters. Is that correct?
7 And on other items that you submitted to the Secret Service back

11 Q And, when he -- when he was ordered to give you handwriting

13 A No.

19 Q All right. And, so, you gathered other things and sent

2 Q And I just want to bring something up here. During the
3 course of that investigation, were there two times that Mr. Kurt
4 attempted to evade United States Secret Service and put the
5 public at risk?

6 A Yes.

7 Q And what were those two times, if you'd tell this judge?

8 A Yes. We were -- one time two agents from the Secret
9 Service office here in Spokane were surveilling him, and he --
10 there was a -- some kind of a confrontation in an alleyway where
11 it appeared Wayde Kurt saw that he was being followed by two
12 agents. And he backed out of the alleyway and sped down the

1 A Yes.

2 Q And did you tell him you were going to get a search warrant
3 now to recover --

4 A Yes.

5 Q -- that device?

6 A Exactly.

7 Q And what did he do? Did he endanger the public at that
8 point in time?

9 A Yes. After I told him that I was trying to get a search
10 warrant -- in fact, I was on the phone at the time calling the
11 U.S. Attorney's office requesting a search warrant for the
12 vehicle -- and he got in his car and sped away down on Francis

14 was going too fast, in my opinion, for the safe -- safety of the
15 citizens. And, so, we, also, determined to discontinue the

17 Q So, I'm going to ask you: As a result of that, did you
18 prepare a case report on May 28, 2004, relating to the theft of

20 A Yes.

21 Q And, on the third paragraph of that report, does it tell --

18 A Correct.

4 Q And is this something that would make you want to

10 Q All right.

1 like that?

2 A Yes.

6 A Yes. I can't determine it was for sure Mr. Kurt's beard,

2 MR. HICKS: Fifteen or more rounds, yes.

3 MR. WALL: That's correct, your Honor. I originally

5 (Interruption by the reporter)

6 THE COURT: Yes.

7 MR. WALL: Your Honor, I originally did file an
8 objection to that because my recollection of what we had seen
9 during the trial didn't show the clip being present at the time.
10 But I went back and reviewed more of the video, and I did see
11 that large chip. So, we are not going to argue that point at

13 THE COURT: All right. Well, I appreciate that
14 because I'm, certainly, not an expert; and I wasn't sure.

15 MR. HICKS: Correct, your Honor.

16 THE COURT: Thank you.

17 MR. HICKS: Your Honor, we'd like to have Special

19 THE COURT: Yes. Agent Neirinckx, you're still under

21 MR. HICKS: Your Honor, just for the record and to get

18 DIRECT EXAMINATION (continued)

19 DIRECT BY MR. HICKS:

20 Q Special Agent Neirinckx, in order to move this along, we
21 sat over the lunch hour; and we highlighted some of the things
22 that we wanted to bring to the Court's attention. Did you have
23 occasion to review this letter again? And what is this letter,
24 in general terms, speaking about?

25 A Counterfeit money.

CONTESTED SENTENCING HEARING - DAY 1 - MAY 9, 2012
J. NEIRINCKX/DI - HICKS (continued)

1 Q All right. And we have a passage. It just starts with a
2 large "NOW." Could you read that into the record, please.

3 A "NOW the \$20 Fed notes, one is printed on special paper and
4 one on regular you can see the difference. Any flaws that you
5 see are because my printer can't print any better, the image on
6 file is perfect."

7 Q Okay. And, then, we skip a small portion that it took
8 three full months to create these images. And, then, go ahead.

9 A "These images are worth multiple millions of dollars. Also
10 I am sending you a sample of chemicaly (sic) treated paper 70%
11 hemp 30% cotton that the iodine counterfeiting pen only makes a
12 mark the same as genuine Fed notes on. Also a dab of magnetic
13 ink on it for sampling."

14 Q Now, just based upon your experience, what is this
15 counterfeiting pen, so that the Court's aware of it?

16 A Well, it actually detects -- genuine currency is what it
17 actually detects. It's a chemical in -- U.S. currency has a --
18 a bleaching agent in it. And, basically, it detects an agent in
19 U.S. currency. So, a nonbleaching agent paper will -- will show
20 a brown color.

21 Q So, if you chemically treat it, you can -- what people do
22 is they chemically treat it or they use genuine currency to make
23 counterfeit and that will throw off detection pens. Is that it?

24 A There is things that you can treat paper with that will
25 give a -- a false negative to one of these counterfeiting

1 detection pens.

2 Q So, is that what you believe is being discussed here --

3 A Yes.

4 Q -- is how to make better counterfeit so you can trick
5 people more?

6 A Yes.

7 Q All right. We have another passage, and it's on Page 88.
8 And if you'll just, again, read the yellow highlight.

9 A "I have showed all my samples to Dean but he wants the
10 product but doesn't want to finance any of the operation."

11 Q Now, is this letter -- in general terms, is Mr. Kurt
12 attempting to get financing to manufacture counterfeit currency?

13 A That's what I interpret it to be, yes.

14 Q All right. Let's go --

15 MR. HICKS: We're going go to Page 89 now, your Honor.

16 Q (BY MR. HICKS) And why don't you start with the first line
17 there. It's under -- it's also underlined in red, and that's
18 just an error that I made. So, go ahead.

19 A "I sent my Washington driver's licenses down to his people
20 who are on the run but I can't get him to buy a hand held photo
21 copier so that we can get legitimate DMV numbers off people who
22 cash checks."

23 Q Now, let me ask you this: The "him" he's referring to

25 A Say that again.

1 Q Is -- is he referring to Mr. Dean Ashworth when he's
2 talking about "him"? He's -- or do you --

3 A I'm not sure.

4 Q All right. Now, the next passage starts off with "I
5 don't." Would you read that into the record.

6 A "I DON'T HAVE ANY ACT" -- or "ACTION. I'm flat broke
7 except for the \$2,000 that just came in last week and I'm
8 leaving here tomorrow for my" -- I can't read that -- "and just
9 do the best half ASS job I can and finance myself.

10 "I have showed my sample to other white supremacists

12 Q Is that "separatist"?

13 A ". . . seperatist (sic) who got greedy crazy and want 2
14 million in product just for the use of \$6,500 for 7 days."

15 Q All right. We're going to -- that's on Page 89. Now,

17 A "The best was \$300,000 in product for 7 days or" -- it

19 that effect. "Actually on" -- "actually an offer was made by a

7 A "Wayde L. Kurt."

8 Q And what else does he say there?

9 A "Your brother at Arms."

18 there's initials up there. When these items are seized by
19 Secret Service, would they, generally, put a date on there of

4 A More than likely, yes.

5 Q Okay. Would you read the highlighted portions.

6 A "I have a graphic arts shop put together but I am afraid it
7 was compromised. I can't move it right now. The press alone

7 Q And, then, there's another highlight.

8 A "Your Brother at Arms."

9 Q What do you believe he's talking about here based upon your
10 experience?

11 A It appears that he's talking about using counterfeit
12 driver's licenses, possibly Washington State driver's licenses,
13 and the farther away from Washington he gets the harder it is to
14 have law enforcement or other people detect that.

15 Q All right. And, so, again, also in this letter, is he
16 soliciting -- trying to solicit money so that he could get
17 better printing equipment? Do you recall this letter?

18 A Yeah, I believe so.

19 Q All right. Now, one of the things that, during your more

22 MR. HICKS: And we're talking about, your Honor,

1 A Yes. This one appears to be dated 3/11 of '97.

2 Q And does it appear to be Mr. Kurt's handwriting?

3 A It appears so.

4 Q And, on the last page, does it indicate -- are you familiar

7 A Yes.

8 Q And how are you familiar with that "WK"?

9 A I've seen that on a number of letters that have handwriting

11 Q Now, the letter's addressed to -- and, if we'll go back to

13 of your investigation, were you also investigating an individual by
14 the name of Dean Ashworth?

15 A I was.

16 Q And why were you investigating Dean Ashworth?

17 A He had -- he was involved in a previous counterfeit
18 investigation by the Secret Service. And he had a property
19 that -- or my investigation lead me to believe that there was
20 possibly counterfeit money or counterfeit identifications on
21 that Dean Ashworth property.

7 Q All right. Now, I wanted to look at the last page, 140.
8 And what does it say at 1 --

9 A "Your friend Wayde Kurt a white witch of Asatru."

10 Q All right. Now, there were other letters; and we've

12 A Correct.

13 Q And I've told you I'm not going to go through all the

2 Q All right. Now, was there a second computer that was

6 A Yes. There was an NEC computer that we recovered through,

8 owner of it, or the previous owner of it, who said they'd
9 donated it to Goodwill. And they did not expect it to be in

16 A Yes.

1 A Yes.

2 Q All right. And what was the information that Mr. Kurt,
3 according to the confidential informant, indicated?

4 A Kurt stated that, with this information, you can be anyone
5 anywhere.

6 Q All right. Now, during the course of your investigation,
7 were you concerned with whether or not Wayde Kurt was a white
8 supremacist at that particular point in time?

9 A No.

10 Q Did you have any information that -- anybody tell you that
11 he had white supremacist beliefs?

12 A Yes, two people.

13 Q All right. And did you even note that or put that in your
14 report?

15 A No.

16 Q And why not?

17 A My investigation was mainly concerned with the counterfeit
18 money and counterfeit identifications.

19 Q And your -- your investigation was back in 2004.

20 A Actually, you know what, I think I did put it in my report.
21 I made one note, I think, in my report about Wayde Kurt being
22 seen with a swastika medallion on his neck.

23 Q Okay. Now, did Mr. Kurt -- during your investigation and

1 involving bombs or anything such as that?

2 A Yes.

3 Q And what type of threats did individuals report to you that
4 he was making during your investigation?

5 A Yes. On April 14th of 2004, I interviewed a Don Solberg,
6 who worked -- who was a supervisor at Goodwill. And he advised
7 me that Wayde Kurt had found my GPS tracking device on his
8 vehicle, and he showed Mr. Solberg this tracking device, which
9 was on the one -- I believe the passenger seat of Wayde's van.
10 And, at that time, Mr. Solberg said that he was very irate.

11 And, if I can quote from my report --

12 Q Okay. What page are you on in your report? What date is
13 the date of the report?

14 A It's May 28, 2004.

15 Q Okay.

16 A I -- I don't have a page number on my copy here.

17 Q Okay.

18 A But it starts off with "On 4/14/04."

19 Q Okay. Go ahead. And what did Mr. Solberg tell you?

20 A He said that ". . . Kurt was very irate at the time and
21 stated, 'If they want a war, they're going to get one.' I know
22 where there are weapons, explosives, and an airplane, and I'm
23 going to make a fireball out of Spokane."

4 possession of firearms or there'd be any allegations of him
5 making threats?

6 A No.

7 Q Were you concerned about these threats?

8 A I was. Especially this one here. That's why I noted it in
9 my report. And that, also, is why I was trying to find him as
10 soon as I could.

11 Q All right. You were aware that -- and it's early on in
12 your report. The first eight pages of your report. You were
13 aware that Mr. Kurt had a firearm that was linked to a murder of
14 a six-year-old. Is that correct?

15 A Correct.

16 Q And, as a law enforcement officer, is that something that
17 you keep in your mind whenever you're involved in enforcement
18 actions because somebody had an automatic weapon that was -- is
19 linked to a death of another person?

20 A Absolutely.

21 Q So, did you consider Wayde Kurt to be -- even years

23 A Yes.

24 Q And, so, is that why these threats were of concern to you?

9 CROSS EXAMINATION

10 CROSS BY MR. WALL:

11 Q Agent Neirinckx --

12 A Yes.

13 Q -- you were asked earlier in your testimony about putting
14 a -- I forget what -- how you termed it, but a -- a -- some kind
15 of tracking device on Mr. Kurt's vehicle?

16 A Yes.

17 Q Yeah. And you were asked if that was lawful, and you said
18 it was lawful.

19 A Yes, it was at the time.

20 Q So, it's your -- in your opinion, anyone can put a tracking
21 device on anyone's car that's parked in a public place?

22 A It was allowed at that time, yes.

23 Q Is it -- it's not allowed any more?

24 A Not to my --

25 Q Under what law?

1 A I don't believe so. I believe there was a law change.

2 Q What kind of law was changed?

3 A To my knowledge that you now need a search warrant to put a
4 tracking device -- a GPS tracking device on a vehicle.

5 Q Well, as an individual, I wouldn't need a search warrant to
6 do it, would I?

7 A I -- I'm not an attorney. I --

8 Q Okay.

9 A I wouldn't --

10 Q So, you don't really know if it was lawful or not, do you?

11 A Well, I was told that it was lawful.

12 Q Okay. Have you ever heard of the term "trespass of
13 chattels"?

14 A No.

15 Q Oh, okay. So, do you have any knowledge whether or not
16 what you did might have been a violation of some kind of state
17 law or might have been unlawful in the civil sense?

18 A I'm not aware of any unlawful action that I -- that I did.

19 Q Okay. You were asked a lot of questions about
20 identification cards that Mr. Kurt had made.

21 A Yes.

22 Q And do you have any evidence or did you uncover any
23 evidence that Mr. Kurt ever used any of those cards to commit an
24 offense against another person?

25 A No.

1 Q You testified that you were told by some individuals -- I'm
2 not sure that they were identified. But you said some
3 individuals told you that Mr. Kurt had offered to provide them
4 false identification cards in exchange for money. Correct?

5 A Yes, correct.

6 Q Did you uncover any evidence at all that he ever, actually,
7 provided a card to someone in exchange for money?

8 A No.

9 Q And, in fact, if he had done so with those particular
10 persons, they could have given you the card. Correct?

11 A Can you rephrase that, please?

12 Q Well, if these people said it had been offered to them --
13 if he had, actually, given them a card in exchange for money,
14 they could have shown you the card or given you the card.
15 Correct?

16 A That's correct.

17 Q Yeah. And they didn't do that.

18 A No.

19 Q No. There was a fair amount of testimony about a number of
20 letters that you recovered in the course of your investigation
21 that were written by Mr. Kurt. Correct?

22 A I believe they were.

23 Q One of those, in particular, involved a person by the name
24 of Lonny. Do you know who Lonny is?

25 A No.

3 this is a portion of the letter. And I believe you read from

6 Q Are you able to read it?

7 A Yes.

8 Q Okay. Do you see anything in there where Mr. Kurt is
9 indicating he wants someone to change their testimony or change
10 their story?

11 A Not directly, no.

12 Q Anything that suggests that they should say one thing and
13 not another?

14 A Yes.

15 Q Oh? Yeah, where do you see that?

16 A Where it says, "encouragement as" -- "Lonny needs as much
17 encouragement as possible to hold out during questioning" --
18 now, "with giving up," but I read it to be "without giving up" --
19 "I am not sure that I can give that encouragement."

20 I certainly -- the way I read it, interpret it, that's the
21 way I interpret it. Is that --

22 Q You don't know what he meant by "holding out," do you?

7 A Yes.

8 Q And you were asked about the part down at the bottom of
9 this page where it says, "Way down south we would get our foot

15 A I did at some point.

16 Q Okay. So, in reviewing the entire letter, it was clear to
17 you that what he was -- Mr. Kurt was referring to there was an
18 -- an idea he had about setting up cell phone service in South
19 America. Correct?

20 A Correct.

21 Q Yeah. It had nothing to do with terrorism.

22 A I don't know what he meant by moving "on the Western

24 Q Well, if he's talking about setting up a type of cell phone

1 enough money to move "on the Western World," fair implication
2 that he means to move his service to other parts of the world.

3 A That is -- that is a fair interpretation.

4 Q And you were asked some questions about some computers.

5 One of the questions was: Did he have -- Mr. Kurt have a

6 computer that he should not have had?

7 A Yes.

8 Q And you said, "Yes."

9 A Yes.

10 Q Was it illegal for him to have that computer?

11 A It was stolen. So, I would assume it would be. Possession
12 of stolen property.

13 Q Well, it would only be illegal if he knew it was stolen,
14 though, wouldn't it?

15 A I'm not a lawyer, but I'm assuming that's correct.

16 Q Okay. Do you have any knowledge as to how he came into
17 possession of it?

18 A No.

19 Q You spoke about another computer that someone had donated
20 to the Goodwill.

21 A Yes.

22 Q And Mr. Kurt worked at Goodwill, didn't he?

24 Q Yes. And, so, when you donate things to Goodwill, they

1 A Well, they donate them.

4 A Goodwill sells --

5 Q They have a store that they sell --

6 A Yes.

7 Q -- their items out of --

14 Q So, if someone donates a computer to Goodwill, Goodwill may
15 take it and put it on the shelf and sell it to whoever comes
16 along and pays for it.

17 A That's correct.

18 Q All right. Okay. And Mr. Kurt worked there. So, there
19 would have been nothing illegal about him buying a computer that
20 Goodwill put on the shelf.

21 A Yes. I stand corrected. It's a possibility he did buy it

2 Q Do you have any specific recollection of exactly what they
3 told you about in that regard?

4 A I remember one person discussed that he wore a swastika

6 tied to white supremacist. But, in my education, it -- they're
7 -- they're very similarly tied. That was one person.

8 Another person just discussed him vaguely, and I don't

11 Q Okay. And, so, you don't know if they got that idea from

14 Q You spoke specifically in your testimony about a person

17 car.

18 A Yes.

19 Q Correct? Did Mr. Solberg say that these statements were
20 made directly to him, or was he repeating something that someone

22 A My recollection -- it's been a while. But, in my
23 recollection, he was stating them -- he was saying, "I'm -- I'm

5 THE COURT: Okay.

6 MR. HICKS: That's right. The other identifications,

15 MR. HICKS: No. The one -- the Harvey -- excuse me.

20 MR. HICKS: Right. That -- that was the -- that was

2 MR. WALL: I finished, your Honor.

3 THE COURT: All right. Agent, you've completed your
4 testimony. You may step down. Thank you.

5 THE WITNESS: Thank you.

6 THE COURT: Any further testimony, Mr. Hicks or

8 MR. HICKS: Your Honor, we have no further testimony

10 items that we presented to the Court that we've chosen just to
11 allow the Court to review. And we've stated in our memorandums

16 MR. WALL: Just from Mr. Kurt, your Honor.

17 THE COURT: Well, do you want to proceed now?

18 MR. WALL: Sure.

1 DIRECT EXAMINATION

2 DIRECT BY MR. WALL:

3 Q Mr. Kurt, you've sat through this morning and this
4 afternoon and heard the testimony. And, so, I'm going to refer
5 some points to that testimony on the assumption that you recall
6 what was said. If you don't, then, please let me know.

7 A Okay.

8 Q Regarding some of the testimony this morning concerning
9 your first contact with a group that's been identified as the
10 Vanguard Kindred, it's -- testimony's been given that, when you
11 first came into contact with those persons, that you directed
12 them to someplace where they could find minorities or persons of
13 color so that they could engage in some sort of confrontation or
14 assaultive conduct with them. Do you recall that testimony?

15 A I re -- I recall the testimony, yes.

16 Q Is that testimony accurate?

17 A No, it is not.

18 Q Okay. Can you tell us what happened when you first came
19 into contact with the -- those persons who were members of the
20 Vanguard Kindred?

21 A Yes. I was out and about on First Night downtown here in
22 Spokane, which is January 1st and right at midnight. I was just
23 walking home in the snow. And, as you know, there's lots of,
24 just like, block parties downtown on First Night. Everybody's
25 celebrating New Year's Eve, essentially.

1 And I was right -- almost in front of my apartment. And
2 it's kind of a steep little run there, and it was snow on the
3 ground. And some people were kind of having trouble getting up
4 the street, and they had the windows rolled down. And they were
5 shouting, "Hail, Odin" out the window at me. And I said, "Hail,
6 Odin" back. And they pulled over and kind of got off in the
7 snow ruts and jumped out and -- and wanted to know who I was, et
8 cetera, that sort of thing.

9 I told them that I had just been downtown at the various
10 block parties that are going on in front of every bar and every
11 parking lot there is. It's pretty wild.

12 Q Did -- did they ask you where they could find minorities or
13 persons of color?

14 A No, they did not.

15 Q Did you direct them to anything?

16 A No, I did not. I told them where I -- where I had just
17 come from. They wanted to know where the party was, but I did
18 not direct them to any specific place or anything. I just said
19 that I had just come from downtown, that there were parties all
20 up and down.

21 Q Okay. And you have -- you saw the video that was played of
22 a meeting that took place on January 10th, 2009?

23 A Yes.

24 Q And you're in that video?

25 A I am in the video.

1 Q Okay. How -- how is it that you came to be at that
2 meeting?

3 A After that initial meeting on First Night, just out there
4 on the sidewalk, they eventually just jumped in their car and
5 took off. And they were -- you know, probably they shouldn't
6 have been driving because of the alcohol consumption.

7 They gave me a phone number to contact various members of
8 their Kindred. They said that they belonged to a kindred and
9 wanted me to call them up, you know, within a couple of days.

10 And, eventually, I called a person known as Keegan VanTuyl.
11 And he invited me to a meeting that they were going to have at
12 Shep Kuester's house.

13 Q And did you speak to Mr. VanTuyl about what was going to
14 take place at that meeting?

15 A Not initially, no. I told him that I was Asatru and that I
16 was looking for a kindred to join with. And he said that --
17 that I should come to the meeting and -- and start meeting some
18 of the people. And, if everything was good, then, that I could
19 become a member.

20 Q Okay. And did you speak with any other persons about that
21 meeting before going?

22 A I may have called Jake Wilson. I think that's the -- right
23 around that time I was -- I had called Jake Wilson. I don't
24 remember who was first or second. But I talked with him a
25 little bit about what they were doing as a group and that sort

1 of thing.

2 Q Now, at that time, were you aware that any of the -- these
3 persons that you had met on First Night were skinheads?

4 A No. They did not say that they were skinheads, not until I
5 actually arrived at the meeting and met all of them for the
6 first time and was on film.

7 Q Okay. And did you anticipate when you got to the meeting
8 that there was going to be the kind of activity that went on
9 there that we see in the video?

10 A No, I did not anticipate that.

11 Q When -- on the video, you're asked to make a statement
12 about what you have done for your race?

13 A Yes.

14 Q Did you understand what was being requested of you at that
15 point?

16 A Yes. I knew what was being requested of me. I didn't know
17 I was going to have a camera shoved in my face and asked that.
18 But, upon the question, I -- I was aware that I would need to
19 answer the question in front of the group.

20 Q Did you have any concerns as to what would happen if you
21 refused to answer?

22 A It would have been looked down upon very -- very much if I
23 had refused to answer.

24 Q Okay. Did you have any concerns for your safety at that
25 point?

1 A It could have been ugly. There could have been concerns
2 for my safety had I not answered the question. Just the type of
3 atmosphere that was going on there wasn't what I had
4 anticipated. I was there for Asatru and to join a kindred.

5 When I got to the meeting, Keegan kind of pulled me off to
6 the side and told me that this -- these people here -- many of
7 them are, in fact, skinheads. And I said, "Oh, okay." And he
8 said that he had -- was planning to start up a skinhead group
9 but that they were going to keep the skinhead part separate from
10 the -- the Asatru Kindred, the Vanguard Kindred, but that there
11 were visiting members of skinhead gangs and so forth. And, I
12 said, "Okay. Well, you know, I'll just kind of hang out," and,
13 "You know, I can handle myself." And things proceeded to,
14 eventually, where the camera came out and was filming everybody.

15 Q All right. Did you, then, attend what's called a "blot"
16 after that?

17 A A blot, yes, um-hum.

18 Q A blot, okay. And -- and you saw the video?

19 A Yes.

20 Q You watched that being played. And are you familiar with
21 how a -- a blot is to be conducted according to the Asatru
22 religion?

23 A Very familiar with -- with the proper way of conducting a
24 blot, yes.

25 Q Had you been to blots prior to that one?

1 A Many, many blots. I am a gothi and a high priest in the
2 Asatru religion, and I am very familiar with the -- the ceremony
3 of the blot.

4 Q Had you been to previous blots which -- which Nazi flags
5 were displayed?

6 A No, I've never been at a -- at a blot that had Nazi flags
7 such as the one that's shown in the video.

8 Q Have you ever been to a blot before where there were the
9 kind of white supremacist statements being made by the people
10 conducting the blot?

11 A To be truthful, occasionally, over the years of being at
12 blots, occasionally someone will make an outburst like what you
13 see on the video. However, the intensity and the amount of --
14 of the white supremacist-type gesturing and comments made and so
15 forth, no. That is not a proper form to take with the blot at
16 all.

17 Q And there was -- there were statements about your desire to
18 bring resources to bear on behalf of the Vanguard Kindred. What
19 did you mean by that?

20 A Oh, I was promoting the Vanguard Kindred. If I'm going to
21 be a member, I would absolutely want to get them started, get a
22 place to meet on a regular basis, set up a fund, start all
23 different sorts of educational programs, and that sort of thing.

1 white supremacy or any kind of violence against minorities?

2 A Absolutely not.

3 Q Did you at some point determine that you were not going to
4 continue with the Vanguard Kindred?

5 A Yes, I did.

6 Q When was that?

7 A Shortly before Anthony Johnson was assaulted, I had made my
8 determination that I was going to separate myself. However, I
9 did attend the -- the meeting there that night. It's somewhere
10 in the vicinity of Trent and Fancher. There was a house there
11 where the assault took place. And, after that, I was done with
12 them completely and for good.

13 Q After that incident with Mr. Johnson, did you continue to
14 have contact with Keegan VanTuyt?

15 A I don't remember talking to him. He may have called me on
16 the phone one time after that. And I told him that I wasn't
17 going to be involved with them anymore.

18 Q Were you ever asked to take over the leadership of that
19 group?

20 A I believe he did ask me to take over the leadership of the
21 Vanguard Kindred in his absence. He had been arrested on some
22 probation violation, if I remember correctly, when he had called
23 me and asked me. I couldn't tell you the exact date that that

2 Q There's been a fair amount of testimony presented about
3 counterfeiting activities that you were involved in in the past.
4 And, so, do you recall that testimony?

5 A Yes.

6 Q Okay. When was the last time that you actually produced
7 any kind of counterfeit U.S. currency?

8 A Probably in 2005 was the last time that I actually printed
9 counterfeit Federal Reserve notes.

10 Q What about after 1996? Did you engage in any kind of
11 counterfeiting after that?

12 A Yes.

4 A Not 2005.

5 Q Okay. Was that correct or not correct?

6 A That's not correct.

7 Q Okay. When was the last time you actually made counterfeit
8 currency?

9 A 1995. I had my mind on a completely different date. I'm
10 sorry.

11 Q All right. And had you -- have you gathered any materials
12 or done anything with the intent of making counterfeit currency
13 since 1996?

15 Q Yes.

16 A No.

17 Q There was some testimony about an offset printer. You
18 heard that?

19 A Yes, um-hum.

20 Q Could that offset printer have been used to make
21 counterfeit currency?

22 A If it's the one that they were speaking of that was at a

24 that, no. It's not -- it was for desktop-type publishing. It's

17 A I was just trying to get him on board to work with me in

20 white separatists in that letter?

1 A I was just trying to motivate him. Nothing else. There
2 was no white separatist person that I was referring to or white
3 separatist group. It wasn't true.

4 Q You also, in that letter, make some statements about having
5 discussions with people you refer to as "Jews."

6 A Yes.

7 Q Was that something that, actually, had happened?

8 A No. It never took place.

9 Q Was there a reason why you made those statements in that
10 particular letter?

11 A Mac had -- when I had first met him in the county jail
12 several years before had -- had some literature about Jews or
13 something like that and I was just playing to his -- what I
14 thought his preconceived ideas were about Jews.

15 Q There was not testimony about this today I don't believe

4 Q Okay. And, at that time, what was your connection to
5 Harold Covington?

6 A I had read some of his books and literature over the years
7 and one of the books had been kind of recommended to me by
8 David Udseth.

9 Q Okay. And were you a member of any organization connected
10 with Mr. Covington?

11 A David Udseth asked me to become a member of the Northwest

13 on his behest, I sent several letters to Harold Covington asking
14 for his newsletter and adding a \$10 donation.

1 never intended -- I have no interest in the Northwest Front.

2 Q Was there a reason why you wanted Mr. Crawford to provide

4 A Yes. It was my understanding that David Udseth had been
5 over to visit Harold Covington and several of the people that
6 work with him. And I wanted to warn Harold Covington that
7 David Udseth was a federal informant.

8 Q Okay. And how did you come to that understanding about
9 Mr. Udseth and his contact with Harold Covington?

10 A I -- he told me about it in our conversations. I don't
11 know if any of them are recorded or not. But I think he sent me
12 a letter and several other things about that, yeah.
13 David Udseth sent the letters to me. And I returned letters,

17 A Oh, yes.

18 Q Did you have conversations with Mr. Udseth that were not

20 A Yes.

21 Q Okay. And you've heard testimony, I believe, here today

5 Harold Covington over in the Seattle area. And he wanted an

10 Q Did you ever intend to become the armorer for that

13 Q Did you ever have any plans to blow up any federal
14 buildings?

15 A No. None.

16 Q Did you ever have any plans to kill any political figures
17 of any kind?

18 A None. I've never even thought about any sort of
19 assassination, especially of President Obama. If I may just
20 speak clearly, I -- I think that Barack Hussein Obama is the
21 best thing since Skippy peanut butter. He's done more damage to

17 A Yes, um-hum.

18 Q And you heard testimony here today that, at least on one
19 occasion, you used a false identification to register a vehicle.
20 Do you recall that?

21 A Yes, I did.

22 Q Did you have that in mind when you were giving that
23 testimony at trial?

24 A No, I didn't. When I answered that question, I believed
25 that the thrust of the question was whether I had committed acts

5 Q Okay.

6 A But I paid for the vehicle with good cash that I made by
7 hard work.

8 Q Have you ever sold any identification to anyone?

9 A No.

10 Q False identification?

11 A I've never sold any IDs or given them away to anyone.

12 Q Okay. Did you obtain identification cards or other
13 identification information when you were employed at Goodwill?

14 A Yes.

15 Q And how did you do that?

16 A My job is to take in raw donations and sort through it and
17 toss all the garbage off in the garbage.

18 Q Okay.

19 A And --

20 Q What were you instructed to do with pieces like
21 identification cards or something like that that might
22 accidentally -- or might be included in things that were donated
23 to Goodwill?

24 A Anything that is not saleable, it's -- it's strictly --
25 they have it posted everywhere. It's price or pitch, POP. And,

1 if you can't put a price on it and sell it out the door, it goes

5 A I threw them in the garbage, and I took them out.

6 Q Okay.

7 A That was my job.

8 Q What was your purpose in doing that?

9 A I use those as a template to create false identities.

10 Q Did you ever do so with the intent of using those false
11 identities in a fraudulent way; that is, to access someone's
12 bank account or pose as another person in order to obtain
13 something you were not otherwise entitled to?

14 A No.

15 Q Did you ever, in fact, do either of those things?

16 A No. I have never used one to harm another person.

17 Q There was some testimony regarding, at some point in the
18 past, you having been in possession of a firearm that was
19 associated with the death of a six-year-old. Do you recall that

21 A Yes.

3 Q Okay. And what crime was this that we're talking about?

4 A It was murder of a six-year-old boy, if I remember
5 correctly.

6 Q Did you know this boy?

7 A No.

8 Q Had you ever had any kind of contact with him?

9 A Never, no. I didn't know any of the people involved.

10 Q Were you involved in any way with his death?

11 A No. Absolutely not.

12 Q Okay. And, so, what kind of evidence was presented at the
13 trial?

14 A They -- this -- they had expert witnesses, I believe, from
15 the FBI that got up and said that there was some sort of
16 spectrum analysis where they take the slugs from ammunition in a
17 box, like, from my apartment -- my house and ammunition from the
18 scene of the crime and they irradiate it in some sort of nuclear
19 reactor back in Quantico. The FBI has one at their headquarters
20 or something. And it produces some sort of spectrum fingerprint
21 of trace elements in the lead. And they said that it matched up
22 with the lead from the scene of the crime to the lead in -- in
23 the ammunition box that was in my -- my house.

24 Q And what happened with that? That was a charge against
25 you.

1 A That was a charge against me, yes.

2 Q And what happened with that?

3 A I was, eventually, acquitted by the -- by the jury.

4 Q Okay.

5 A Just as a counterpoint, since we're on the subject, I have
6 recently found out that the FBI has shutdown that nuclear
7 reactor and found out that that is complete junk science. It
8 does not work for identification of ammunition from boxes. It's
9 no longer in use.

10 Q And, when was this that you were accused of this? Do you
11 recall?

12 A Back in 1987, I believe, is when I was arrested. And I
13 went to trial in 1989.

14 Q And what were you doing at that time? Were you employed?

15 A My employment was in logging. I was a timber faller.

16 Q And do you know how it is that you came to be identified as
17 being involved if you had no connection with the victim or
18 anyone else?

19 A It was someone that I worked with who knew the man who
20 confessed to the crime. And, as soon as I was accused of the
21 crime by this person that I had worked with occasionally, that
22 person was immediately released from jail. The person who --

9 A I was being untruthful with the man so as to stimulate him,
10 yes.

11 Q And you've come up now with your own version of what
12 happened. And you were acquitted. And we're not here to argue
13 about whether you're guilty or not. But you were acquitted of

11 A No, I don't believe it ever was.

12 Q Wasn't this just a random killing, though, too, where
13 nobody knew anything who had killed the boy to begin with?

14 A I believe the father confessed to the killing upon his

16 Q Okay. Let's move on to something else.

17 (Discussion off the record)

19 Q (BY MR. HICKS) And -- and it -- well, you know, there was

7 A Yes.

8 Q And you saw him go another way, and you saw him talk about
9 "beaners." Is that correct?

10 A That is correct, yes.

11 Q Now, does a "nigger" refer to black people?

12 A I believe it does.

13 Q And, so, the reason people call people "niggers" is because
14 they're whites and they believe they're superior, at least that
15 group. That's how they believed. Is that correct?

16 A It is a derogatory term toward black people, yes.

17 Q And "beaners." Is that a derogatory term against Hispanic
18 people?

19 A That's my understanding; that it is a derogatory term, yes.

20 Q You never heard it before in prison or anyplace else. You

16 A Yes.

18 A I was going along with -- with their program, yes.

19 Q Mr. Kurt, you never said, during your jury trial, that you

21 A As long as you're playing the game, you don't have anything

2 THE DEFENDANT: As I said, as time went on, I found
3 out, as I expected, that there were people that were much more
4 mellow and actually wanted to have a kindred. Mr. Kuester and
5 his wife. There was a young man there by the name of Donald,
6 very young man, that was in the video going "Heil Hitler" and

8 Q What about Hispanic people?

9 A No. They needed to clean that up. That was wrong.

6 A I don't remember the exact wording, but I never said that I
7 was going to kill the President of the United States.

8 Q He needs to be killed? But the -- the tape does speak for
9 the -- the transcript speaks for itself, doesn't it?

10 A Yeah. The transcripts speak for themselves. Mr. Udseth
11 had given out quite a few pamphlets and passed them around, even
12 to me, about President Obama being, you know, a terrible
13 President.

14 Q Did you -- did you discuss that in front of the jury
15 before? Did you testify to that in front of the jury?

16 A I don't recall saying about that in front of the jury.

17 Q Did you know, when you became involved with the Vanguard
18 Kindred, that the FBI had an informant in the group? When you
19 were at that blot --

20 A Okay.

21 Q -- did you know that the FBI had an informant in that

23 A Oh, no, huh-uh.

24 Q So, you didn't know there was -- when you were talking to
25 other people in the group but not being recorded, did you know

2 A No, I did not know.

3 Q Did you -- what was the name you first used with this --
4 the Vanguard Kindred?

5 A Wayde Kurt.

6 Q Did you ever use the name Wayde Bennett? Wayde Zane
7 Bennett?

8 A No, never. Not ever.

9 Q Okay. Did you ever provide false identification to
10 Ben Bargiel?

11 A No. I never provided him with false identification, but I
12 did print up a Social Security card with his correct Social
13 Security number with his correct name on it. It wasn't a false
14 identity.

15 Q So, you gave him a false identification document, which was

17 A The -- the paper and everything was mine, but the number
18 and the information on the -- on the card was his correct number
19 and his correct information.

20 Q And did you get that --

21 A I verified that very carefully.

2 A No.

3 Q Did you ever indicate or show money to Mr. Udseth or others
4 which you represented was counterfeit currency?

5 A Absolutely not.

6 Q All right. Now, during this period of time that this was
7 alleged to have happened, you didn't know that there was an
8 informant. Is that correct?

9 A That is correct, um-hum.

10 Q Sir, you keep on saying that you wanted people to know
11 who -- that the CI was an informant. And, in the case of
12 Covington, I, again, believe today that you said you wanted him
13 to know so that they couldn't do any harm to him.

14 A I wanted him to know he could do whatever he wanted with
15 the information.

16 Q So, you -- you were attempting to interfere with the FBI's
17 investigation, if there was one?

18 MR. WALL: Objection, your Honor.

19 THE DEFENDANT: I have no idea whether he was under

2 Q And, during that period of time, do people who are snitches
3 or informants, who are told that they're informants, do they get
4 injured or assaulted because of that, sir?

5 A I have never injured or assaulted anybody who was an

7 Q I'm not asking you, sir, if you ever did. I'm asking if,
8 based upon you being in prison, based upon you being in jail, if
9 you tell somebody in jail that somebody's a snitch and that they

15 A Yeah, it could happen.

16 Q And --

17 A I've never seen it happen.

18 Q It could happen. But you know it can happen because people
19 in custody don't like snitches, do they?

20 A Absolutely not.

21 Q And you knew that at the time you were putting out all this

7 A I took it out of the garbage, yes.

8 Q Do you know if these identifications were still valid or if

11 Q They were donated.

23 A I knew that it was a violation of federal statutes. Yes.
24 I knew that.

25 Q And was there a reason why you didn't possess a firearm

1 during that period of time?

2 A Because I did not want the punishment that would come from
3 having a firearm in my possession.

4 Q Do you intend to make any false identifications as that's
5 defined under federal law? Do you intend in the future to
6 produce any false identifications?

7 A Oh, in the future? No.

8 Q Okay. Do you intend in the future to possess firearms if
9 you're restricted from possessing them?

10 A No.

11 Q Why not?

12 A Because I am a restricted person under federal statute.

13 Q Okay. And what about producing identification cards? You
14 don't personally believe that should be criminal. Correct?

15 A I don't personally believe that that is a criminal act.
16 No, I do not.

17 Q Is there any reason why, then, you wouldn't do that in the
18 future?

19 A Because, under federal statute, it is illegal.

20 Q Okay. And you're aware that other acts are illegal under
21 federal law. Correct?

22 A *Ad infinitum.*

23 Q Okay.

24 A I believe there's entire libraries of books, walls of them,
25 stacked to the mountains high of federal statutes that

1 everything you can possibly imagine is illegal.

2 Q And some of those things you don't believe are, in your
3 mind, criminal acts. Correct?

4 A When there's no actual victim that can take the stand, yes,
5 that is correct.

6 Q Does that mean that you intend to violate those laws?

7 A No. It does not mean that I intend to violate the law.

8 Q Okay.

9 A I do not agree with these laws, but I will not violate
10 them.

11 MR. WALL: That's all I have, your Honor.

12 THE COURT: Did you have any recross, Mr. Hicks?

13 MR. HICKS: No, your Honor.

14 THE COURT: All right. You may step down. Anything
15 else, Mr. Wall?

16 MR. WALL: No, your Honor. Your Honor, not as
17 testimony. But Mr. Kurt has a written statement that would be
18 something he would -- was going to speak to the Court from.

19 THE COURT: Well, I always give the defendant the
20 opportunity to speak to the Court.

21 MR. WALL: And I understand that, your Honor. But I
22 was just raising this now because the time is getting late, and
23 it's somewhat lengthy. And I would prefer, I think, at this
24 point if we could just submit it so it becomes part of the
25 record and maybe have Mr. Kurt give a short summary of what's in

1 the statement rather than read the --

2 THE COURT: Well, I don't want to cut him short. Now,
3 I recognize it is 4:20. This has gone on a lot longer than I
4 anticipated. And this is what we have left to do: I have to
5 rule on the objections that you filed on behalf of Mr. Kurt,
6 Mr. Wall. That probably shouldn't take too long. There may be
7 some discussion as to some of them, but I don't anticipate it
8 will take too long.

9 I want to give you plenty of opportunity to address the
10 Court with your reasons as to what the appropriate resolution
11 should be; the same to the Government, either Ms. Van Marter or
12 Mr. Hicks; and give Mr. Kurt ample opportunity to articulate his
13 feelings with the Court.

14 So, I would not be surprised if we don't have enough time
15 to take care of all that tonight. We have a nine o'clock. I'm
16 willing to start in the morning at either 7:30 or eight o'clock
17 here to finish up.

18 Now, what I might do right now is give -- at least the
19 inclination I have as to the rulings on your objections. We
20 have enough time for that. And, over the night, if you feel
21 there's something you want to say on the record about that, we
22 can do that.

23 What's the reaction of all of you coming back, at the
24 latest, at eight o'clock?

3 tomorrow to finish this.

4 THE COURT: Well, I'll ask Ms. Knutson.

5 (Discussion off the record)

6 THE COURT: How about from 9:30 to 11:00?

7 MS. VAN MARTER: That's fine, your Honor. Thank you.

8 MR. WALL: I -- I -- I believe I'm available at that
9 time, your Honor. So, that should be fine.

10 THE COURT: Well, okay. Let's do it that way, then.
11 Would you like to hear my thoughts on the objections now or
12 would you rather wait until in the morning?

13 MS. VAN MARTER: Yes, your Honor.

14 MR. HICKS: Yes, your Honor.

15 THE COURT: Hear them now --

16 MS. VAN MARTER: Yes.

17 MR. HICKS: Yes, your Honor.

18 THE COURT: -- or in the morning?

19 MR. WALL: Now.

20 MS. VAN MARTER: Now.

21 MR. HICKS: Now.

22 THE COURT: All right. You can hardly wait, huh?

USA V WAYDE LYNN KURT - CR-10-114-WFN & CR-11-161-WFN 203
CONTESTED SENTENCING HEARING - DAY 1 - MAY 9, 2012
COURT'S ORAL DECISION RE: OBJECTIONS TO PRESENTENCE REPORT

1 Presentence Report that was prepared by Ms. Petretee. And that
2 report is dated March 29th of this year.

3 The first four objections, Mr. Wall, deal with the
4 information that is set forth in Paragraphs 12, 13, 14, and 20
5 of the PSR. Now, that -- I've read all that. I think it's
6 appropriate background information. Ms. Petretee received it
7 from what she determined to be reliable sources. Background
8 information of this type is appropriate to be included in
9 Presentence Reports. I overrule that objection.

10 Your Objection No. 5 deals with the information contained,
11 primarily, in Paragraph 47 and 48 regarding statements of
12 witness tampering. Now, let's look at that. And that's under
13 the heading of the "Adjustment for Obstruction of Justice." I
14 feel that there was obstruction of justice by Mr. Kurt. There
15 is the information that's contained in the letter. There's an
16 attempt to inform others that are not in custody of the fact
17 that Mr. Udseth is acting as a CI. That is clearly an attempt
18 to intimidate and discourage that person. I think it's a proper
19 conclusion.

20 Your next objection, No. 6, has to do with the acceptance
21 of responsibility or lack of acceptance of responsibility.
22 Acceptance of responsibility -- we're dealing now with the
23 firearms charge -- is almost always not given in a situation
24 where the defendant elects to go to trial. There can be
25 exceptions to that where somebody is challenging a particular

USA V WAYDE LYNN KURT - CR-10-114-WFN & CR-11-161-WFN 204

1 law. But, when you go to trial and you're disputing the facts
2 of the case and denying your guilt, acceptance of responsibility
3 is not to be given. So, I overrule that objection.

4 No. 7 deals with Paragraph 55, the "Base Offense Level."
5 And, if I understand, Mr. Wall, we talked about that a few
6 minutes ago. Your original objection was aimed at the
7 definition of the firearm that was involved. I think you told
8 me a little while ago that you received information that would
9 indicate that the base offense level of 20, based on the type of
10 firearm or firearms involved, is proper.

11 MR. WALL: Your Honor, it has to do with whether there
12 was a large capacity magazine either attached to the weapon or
13 close by. And it does appear that, on the video, there was such
14 a magazine present at the shoot.

15 THE COURT: All right. Well, then, I read that to
16 mean -- and that was going to be my determination -- that that,
17 then, qualifies; that semiautomatic firearm capable of accepting
18 a large-capacity magazine. And, of course, the defendant,
19 Mr. Kurt, was a prohibited person having been convicted of
20 felonies in the past. So, the base offense level is appropriate
21 as Ms. Petretee set out in that paragraph.

22 Objections 8 and 16 deal with the four-point enhancement.
23 I'm going to overrule that objection for this reason: That
24 there was a lot of evidence, primarily in the form of
25 transcriptions of conversations that Mr. Kurt was involved in,

USA V WAYDE LYNN KURT - CR-10-114-WFN & CR-11-161-WFN 205
CONTESTED SENTENCING HEARING - DAY 1 - MAY 9, 2012
COURT'S ORAL DECISION RE: OBJECTIONS TO PRESENTENCE REPORT

1 in which he went into some detail about plans to commit what
2 would certainly be referred to as "terrorist acts." There was
3 going to be a final determination. There was reference to
4 nuclear material. There was reference to killing or harming or
5 implying that the President should be killed. There was never a
6 specific plan as to exactly what was going to be done. But
7 there were so many references to it in so many conversations
8 that it was clear that, in his mind, preparations were being
9 made to commit that type of a -- what would be referred to as a
10 "terrorist" or a "violent act," doing harm. Even indicated that
11 it was going to be such a severe act that, if he ever got
12 caught, he'd be eligible for the death penalty. There were
13 other references along that line that made it clear that he had
14 this plan in mind that he was working toward.

15 Now, the next objection, No. 9, deals with Paragraph 58,
16 which involves the 12-point enhancement. I'm going to sustain
17 that objection. Twelve points is a dramatic increase in the
18 calculation of the advisory guidelines. That would require
19 clear and convincing evidence. It could be argued that there's
20 nothing to corroborate other than what Mr. Kurt said. And I
21 alluded to that in sustaining the prior four-point enhancement.
22 I think, because that 12 points is extremely -- has an extremely
23 disproportionate effect on the sentences, that the Court would
24 not be exercising its authority properly. So, I'm going to
25 sustain your objection to that, Mr. Wall.

USA V WAYDE LYNN KURT - CR-10-114-WFN & CR-11-161-WFN 206
CONTESTED SENTENCING HEARING - DAY 1 - MAY 9, 2012
COURT'S ORAL DECISION RE: OBJECTIONS TO PRESENTENCE REPORT

1 Your next objection, No. 10, has to do with the two-point
2 enhancement for obstruction of justice. I already alluded to
3 that a moment ago. I think the two-point enhancement is
4 correct. He admitted at trial that he tried to obstruct the
5 witness, the letter that I referred to a moment ago. I also
6 feel that Mr. Kurt's testimony at trial in many instances was
7 false testimony. It was untrue. I went into some detail, if I
8 recall, with that observation at the time we discussed whether
9 or not the jury should be instructed as to the entrapment
10 defense. I felt that the scheme that Mr. Kurt testified to was
11 a total fabrication. I think the two points for obstruction
12 that occurred in Paragraph 60 are proper.

13 You object to the offense level in Paragraph 61 as being
14 40. I sustain your objection and take the 12 points off. It
15 should be a 28 and not a 40.

16 Your Objection No. 12. Now we're dealing with Group 2.
17 The last series of objections in the Court's discussion has to
18 do with the firearm charge. Now we're dealing with the false
19 identification charge that Mr. Kurt plead guilty to. And,
20 Mr. Wall, your objection deals with the two-point enhancement.
21 First of all, the base offense level correctly starts at 6 and
22 there's 2 points added because the offense involved theft of the
23 person of another.

24 Now, the individual's name on the ID that Mr. Kurt used to
25 open that Post Office Box was a living person. Apparently, from

1 what I understand, an elderly lady. She -- it was her
2 identification. She denied knowing Mr. Kurt, denied giving him
3 the authority to have it. He shouldn't have had it. I -- I
4 think that constitutes theft from the person of another in
5 justifying the two-point enhancement.

6 Your Objection 13 I've already dealt with, which is the
7 obstruction of justice.

8 Objection No. 14 deals with 3 points that are added to
9 criminal history under Paragraph 126. I'll overrule that
10 objection. He was charged with stealing Government property.
11 We went to trial. The jury convicted him. He served his time.
12 He gets three points. I know Mr. Kurt doesn't believe it was a
13 crime, but that's been dealt with. That's history. The three
14 points are properly counted.

15 Objection No. 15 seems to indicate, Mr. Wall, that there's
16 some issue you're taking with -- let's see. Paragraph 169.
17 That's his salary while working at the Lance Pounder Excavation,
18 if I understand it.

19 MR. WALL: Your Honor, I think this has to do with
20 whether he was technically working or was an employee and at
21 what time that ended. I don't think it's a major issue, but it
22 was just a matter -- Mr. Kurt had been -- it was the kind of job
23 that he wasn't, necessarily, working always the same hours. It
24 was sometimes seasonal. And he had been injured, and he was not
25 working at certain times. But our position was he was still

1 technically an employee. I think the Government took a position
2 that he wasn't -- he actually had -- his -- he wasn't working at
3 the time and that's -- I think that's what that's about.

4 THE COURT: Well, if I understand it correctly,
5 Ms. Petretee, in Paragraph 169, indicates that she spoke to the
6 bookkeeper out there. And he was earning -- whether he was
7 earning regular hours or was injured and was off makes no
8 difference. I'm not going to make a finding on it because what
9 you've said is accurate. It's not going to affect sentence one
10 way or another.

11 MR. WALL: I don't think so.

12 THE COURT: Ms. Petretee, did you stand up? Do you
13 want to say something about that?

14 MS. PETRETEE: No. You're right, your Honor. The
15 bookkeeper did verify the information provided.

16 MR. WALL: Okay.

17 THE COURT: Well, I'm going to leave it as is. As I
18 indicated, if you and Mr. Kurt feel it's technically not totally
19 correct, I think it's close enough. It's not going to affect
20 sentencing.

21 MR. WALL: I agree, your Honor.

22 THE COURT: And your Objection No. 17. Apparently,
23 you never made an Objection 16. I'm not missing one. It's just
24 you skipped the 16.

25 MR. WALL: No.

CONTESTED SENTENCING HEARING - DAY 1 - MAY 9, 2012
COURT'S ORAL DECISION RE: OBJECTIONS TO PRESENTENCE REPORT

1 THE COURT: Dealing with Paragraph 194, the
2 observation we have on that is we're not exactly sure what
3 you're objecting to.

4 MR. WALL: Are you speaking of No. 17, your Honor?

5 THE COURT: No. 17, which references Paragraph 194.

6 MR. WALL: Okay.

7 THE COURT: Which says that the defendant had been a
8 member of the Vanguard Kindred, which was an Odinist, white
9 supremacist group until the summer of 2009.

10 MR. WALL: Your Honor, the -- the basis for that
11 objection was simply that we have -- as has been apparent here
12 today, we have objected all along to the Government's
13 characterization of the Vanguard Kindred as being a white
14 supremacist group. We understand there were people in that
15 group, when Mr. Kurt became involved with them, that held those
16 beliefs. But Mr. Kurt never believed that's what the group,
17 called the Vanguard Kindred, was about. And the Government has
18 continued to, we think, put those two groups together -- the
19 Valhalla Bound Skinheads and the Vanguard Kindred -- and treat
20 them as if they were one. But we think the evidence is clear
21 they were not.

22 And the Kindred, as it's referred to -- as Mr. Kurt has
23 testified to more than once, Kindred refers to the religious
24 aspect of the Odinism. It has nothing to do with white
25 supremacists. And, so, it was just the characterization that

1 we --

2 THE COURT: Okay. Well, I think that we could add
3 another sentence to it and say that Mr. Kurt denies that
4 Vanguard Kindred is a white supremacist group.

5 MR. WALL: That would be fine, your Honor.

6 THE COURT: And I say, again, that the information
7 contained in Paragraph 194, or however it's worded, is not going
8 to affect sentencing. I make no finding of it.

9 And Objection No. 18 you're referring to Paragraph 196.

10 MR. WALL: That's simply the calculation.

11 THE COURT: That's the calculations. Overrule that
12 objection.

13 I think that covers all the objections -- formal written
14 objections filed by either party. I'll ask each of you,
15 Mr. Hicks or Ms. Van Marter, are there any other aspects of the
16 Presentence Report that you feel should be called to the Court's
17 attention?

18 MS. VAN MARTER: No, your Honor. I did want to just
19 correct one thing. The -- the charges before the Court -- the
20 secondary charges regarding the fake identification. There were
21 two separate identifications. Claire Bermudez (phonetic), who's
22 a real person, that involved the false Social Security cards.
23 And Charles Hubert's identification, who is now deceased, was
24 the one that opened the -- the Post Office Box. And I just
25 wanted to make sure. I think the Court just accidentally

3 THE COURT: I did. But one of the people's whose ID
4 is referenced is still living.

5 MS. VAN MARTER: That is correct.

6 THE COURT: And that person -- that's a female.

7 MS. VAN MARTER: That's the female. Correct, your

9 THE COURT: And, if I remember correctly, she denied
10 knowing the defendant and denied ever giving him authority to
11 have in his possession or using her identification.

12 MS. VAN MARTER: Her Social Security card. That is
13 correct. Yes, your Honor, and her identification.

14 THE COURT: All right. Now, any other objections to

17 MR. WALL: No, your Honor.
